PRESENTATION OF THE FEDERATION STAR **Warrant Officer Class 2 Doug Pammenter**

Association member, WO2 Doug Pammenter is to be presented with the Federation Star at a ceremony in Canberra on 20th April.

The Federation Star forms part of the Long Service Awards and is presented to members of the Defence Force who have provided 40 years of service. The most common long service award is now the Defence Long Service Medal (DLSM). To be eligible for the DLSM 15 years of service must be reached. At each subsequent 5 years of service, a clasp is presented and worn on the medal. Clasps are therefore presented at 20, 25, 30, and 35 years of service. These are replaced by a single silver Federation Star for the fifth clasp. Additional Federation Star emblems are added for subsequent clasps.

I think we can all appreciate that there are not too many people who would become eligible for this recognition and acknowledge that 40 years of service is an outstanding achievement.

Given the importance of this award it is very appropriate to delve into some of Doug's history in relation to his time in uniform. It is common on occasions such as this to use the term "40 years of undetected crime", unfortunately I cannot do that as some of Doug's crimes have been detected, but it would not be appropriate to detail them now.

Douglas Murray Pammenter first enlisted on the 19 July 1966 as a young 19 year old and was allocated 433217 as his regimental number. He was posted to 107 Field Workshop, which in those days was at Keswick.

Doug was very keen to serve overseas and in October 1969 he transferred to the Regular Army as a National

Serviceman and after recruit training at 2 RTB he was posted to the School of Military Engineering as a Sapper.

It was here that Doug prepared for deployment to South Vietnam. In June of 1970 Doug started his tour and as was the norm in those days spent the next 12 months deployed. It is very important to mention that on 23rd May 1970, 1 month before departing, Doug married Pauline. Pauline suspects that Doug was keen to get the extra allowance that was paid to married men, and that is why they had to be wed prior to him departing.

Doug returned to Australia in June 1971 and after meeting his commitments transferred to the reserves in March 1972. Recovery was the trade of choice for Doug and he has been heavily involved in the trade ever since.

Postings for Doug include 107 Field Workshop, 4 EME Services Unit, 9 BASB, 9 CSSB, and ALTC where is he currently a supervisor in Recovery Wing.

When looking at a print out of postings in a career of 40 years you quickly realise that what is missing is the list of exercises attended, and units that have been supported at some time by Doug and his wrecker. Always keen to be involved Doug, has a very hands on approach and is still not afraid to get dirty when the need arises. I do however believe that he has stopped wearing pre-stained overalls. There would not be too many Recovery Mechanics that at some stage have not been trained or assessed by Doug, particularly over the last 10 years. While Doug is known for his recovery trade he is also a very accomplished camp cook (just ask him), pretty handy with electrical jobs (his civy trade) and not too bad at drinking cold beer.

Doug has been awarded the Vietnam Medal, The Republic of Vietnam Campaign Medal, Australian Active Service Medal with Vietnam Clasp, the DLSM (with 4 clasps), Anniversary of National Service Medal, and the Australian Defence Medal along with the Returned from Active Service Badge.

Doug and Pauline travel to Canberra in April and will attend the presentation ceremony with 3 other

recipients of the Federation Star. The ceremony will be conducted by Chief of Army, Lieutenant General Gillespie AO, DSC, CSM, and RSM Army Stephen Ward. A special lunch will follow and no doubt Doug will take the opportunity to provide advice to all in attendance.

Doug and Pauline are staying on for a few extra days so they can celebrate their 40th wedding anniversary while looking around the Australian War Memorial.

We congratulate Doug on his achievement of 40 plus years service and wish him and Pauline a great time in Canberra for the presentation.

PRESIDENTS REPORT

April is now upon us and as we all know ANZAC Day is fast approaching. This year we will be holding our ANZAC Reunion at Warradale Barracks on Saturday 17th April. A flyer for the event is included in this newsletter. Details regarding the march are also included.

The first committee meeting for 2010 was held in February and while it is basically business as usual the committee discussed a few items that will be followed up in the coming months.

I understand that we had made an error regarding association members that were on the sick list in the last newsletter. We apologise for the mistake and trust that it is understood that we try to ensure the details are accurate when we send the newsletter out. As always we are keen to know when we do have a member who is not enjoying good health so we can pass on the best wishes of the association.

As we discussed during the AGM held in December, the association is finalising membership with the Defence Reserves Association. I will be attending the DRA AGM in April and will report back on any relevant topics that are raised.

In this newsletter there is an article regarding the presentation of the Federation Star to WO2 Doug Pammenter. I hope the article is found to be

interesting and I am sure that Doug would love to have a chat with everyone when you next catch up with him.

I look forward to seeing as many of you as possible at the ANZAC Reunion and wish you all the best for your respective activities on ANZAC Day.

A woman and a baby were in the doctor's examining room, waiting for the doctor to come in for the baby's first exam.

The doctor arrived, and examined the baby, checked his weight, and being a little concerned, asked if the baby was breast or bottle-fed.

'Breast-fed' she replied.

'Well, strip down to your waist,' the doctor ordered.

She did. He pinched her nipples, pressed, kneaded, and rubbed both breasts for a while in a very professional and detailed examination.

Motioning to her to get dressed, the doctor said, 'No wonder this baby is underweight. You don't have any milk.'

'I know' she said, 'I'm his Grandma, but I'm glad I came'

The ANZAC Commemorative March

Sunday 25 April commencing at 9:30am.

More details available at see www.rslsa.org.au
(Including Next-of-Kin requirements)

As reported briefly in the February Newsletter there are **MAJOR CHANGES** to this year's groupings and while our WW2 veterans remain near the front in Group 5 all other RAEME members have been moved back to Group 12A

Assembly Areas

- WW2 Veterans - Northern Side of North Tce
- Others - Northern Side of Grenfell St.

(See map on page 14).

Any ANZAC Day March queries should be directed to our Unit Guides, Dutchy Holland on phone (08) 8294 4401, John Howard on phone (08) 8447 7681 or Bob Killoran on phone (08) 8270 2222.

The route is the same as last year, from the starting point (Kintore Ave), West along North Terrace, North along King William Road and right into Sir Edwin Smith Avenue to the dispersal area in Pennington Gardens.

Salutes (the Association Banner is to be lowered on the "eyes right") are to be paid at the National War Memorial and the South African War Memorial on North Terrace, and the Official Dais on the eastern side of King William Road near the Parade Ground at Torrens Training Depot.

Vehicles will be available for WW2 veterans who can no longer make the distance.

Please let Don Harvy know (08) 8387 6169, mobile (0403 996 224) or email (harvyfamily@iprimus.com.au) if you require a seat (the vehicle will return passengers to Pultney Street immediately after Group 5 has been dismissed at the end of the March). The RSL is providing the vehicle(s) and they will form a "Pod" of vehicles behind Group 5. This is to prevent marchers directly behind the veterans from being forced to breathe exhaust fumes.

Carers:

One carer or wheelchair pusher is permitted to assist a veteran within unit ranks.

March Conduct and Paying of Compliments

Unit flags, banners and roundels are to be lowered for all salutes. Yellow unit identification signs are to remain upright and facing the front at the saluting

points, except on approaching the Official Dais, where they are turned half-right for the salute on the order EYES-RIGHT and then returned to face the front on the order EYES-FRONT.

Male veterans and other ex-servicemen in civilian attire are requested to remove civilian headdress and place it over their medals on the left breast, on the order EYES-RIGHT - and then replace it on the order EYES-FRONT, in the traditional manner. An eyes-right given by gentlemen in civilian attire, without the removal of civilian headdress, does not constitute a salute.

Free car parking

U Park and Ezi Park will be providing free parking upon display of Service Medals or RSL Badge at:

- Gawler Place Car Park 4.00 am - 6.00 pm
(no entry/exit possible between 8:00am - 11:00am)

Food, refreshments, Two Up and entertainment will be available on the Torrens Parade Ground.

Approval has been obtained for Association members to meet in the Sergeants' Mess at Keswick Barracks for refreshments and a light luncheon after the March. Please be advised that the Standard of Dress for inside the Mess is neat civilian attire with a collared shirt.

Civilian, ex-serving and retired members of any rank are more than welcome to attend as long as they are properly attired and do not display poor behaviour. However, current serving members who are not eligible for membership of a Sergeants' Mess are not invited to attend and should attend their rank respective Mess. **Mess protocol dictates that all personnel attending the Mess should introduce themselves as a member of the AEME/RAEME Association to the PMC or the senior Mess member.**

The next Luncheon get-together for all ex-serving AEME or RAEME personnel will be held on **Tuesday 8th September** at the **Cremorne Hotel**, 207 Unley Road, Unley, at 12:00pm. This Luncheon is being organised by Bob Davis.

MAGICIANS TRICKS

A magician worked on a cruise ship.

The audience was different each week so the magician did the same tricks over and over again.

There was only one problem: The captain's parrot saw the shows each week and began to understand how the magician did every trick.

Once he understood, he started shouting in the middle of the show, "Look, Its not the same hat!" or, "Look, he's hiding the flowers under the table!" or "Hey, why are all the cards the ace of spades?"

The magician was furious but couldn't do anything. It was, after all, the Captain's' parrot.

Then one stormy night on the Pacific, the ship unfortunately sank, drowning almost all who were on board.

The magician luckily found himself on a piece of wood floating in the middle of the sea, as fate would have it ... with the parrot.

They stared at each other with hatred, but did not utter a word.

This went on for a day... and then 2 days. and then 3 days.

Finally on the 4th day, the parrot could not hold back any longer and said

"OK, I give up. What did you do with the ship?"

Reunions

A group of 40 years old buddies discuss and discuss where they should meet for dinner.

Finally it is agreed upon that they should meet at the Gausthof zum Lowen restaurant because the waitress's there have low cut blouses and nice breasts.

10 years later, at 50 years of age, the group meets again and once again they discuss and discuss where they should meet. Finally it is agreed upon that they should meet at the Gausthof zum Lowen because the food there is very good and the wine selection is good also.

10 years later at 60 years of age, the group meets again and once again they discuss and discuss where they should meet. Finally it is agreed upon that they should meet at the Gausthof zum Lowen because they can eat there in peace and quiet and the restaurant is smoke free.

10 years later, at 70 years of age, the group meets again and once again they discuss and discuss where they should meet. Finally it is agreed upon that they should meet at the Gausthof zum Lowen because the restaurant is wheel chair accessible and they even have an elevator.

10 years later, at 80 years of age, the group meets again and once again they discuss and discuss where they should meet. Finally it is agreed upon that they should meet at the Gausthof zum Lowen because that would be a great idea because they have never been there before.

The little boy hesitated for a moment and then replied, ' Bundaberg Rum and sheilas with big tits.'

Operation Spanner Pack

The aim of the operation is to provide RAEME soldiers serving overseas with a pack(s) of goodies which make their time overseas a little more comfortable.

Ray Norman, Chairman of the RAEME Association Queensland and a group of willing helpers has been co-ordinating the packages for a couple of years.

Our association and members attending functions have made donations to assist in the creation and distribution of packs for the past 2 years and hopefully we can all help again this year.

Ray has just advised that they dispatched a further fifty eight Spanner Packs for RAEME soldiers in the Middle East and Solomon Islands on Monday 29th March.

They expect to send another larger shipment in mid May.

The Darker Side of Women...

A woman was in town on a shopping trip. She began her day finding the most perfect shoes in the first shop and a beautiful dress on sale in the second. In the third, everything had just been reduced by 50 percent when her mobile phone rang.

It was a female doctor notifying her that her husband had just been in a terrible car accident and was in critical condition and in the ICU. The woman told the doctor to inform her husband where she was and that she'd be there as soon as possible.

As she hung up she realized she was leaving what was shaping up to be her best day ever in the boutiques. She decided to get in a couple of more shops before heading to the hospital. She ended up shopping the rest of the morning, finishing her trip with a cup of coffee and a beautiful chocolate cake slice, compliments of the last shop. She was jubilant.

Then she remembered her husband. Feeling guilty, she dashed to the hospital.

She saw the doctor in the corridor and asked about her husband's condition.

The lady doctor glared at her and shouted, 'You went ahead and finished your shopping trip didn't you! I hope you're proud of yourself!

While you were out for the past four hours enjoying yourself in town, your husband has been languishing in the Intensive Care Unit! It's just as well you went ahead and finished, because it will more than likely be the last shopping trip you ever take! For the rest of his life he will require round-the-clock care. You will now be his carer!'

The woman felt so guilty she broke down and sobbed.

The lady doctor chuckled and said, 'I'm just pulling your leg. He's dead. Show me what you bought.'

Silly Things That Happen

When my husband and I arrived at our Local Ford dealer to pick up our Car, we were told the keys had been locked in it. We went to the service department and found a mechanic working feverishly to unlock the drivers side door.

As I watched from the passenger side, I instinctively tried the door handle and discovered that it was unlocked.

Hey,' I announced to the fitter/mechanic, 'its open!'

His reply, 'I know. I already did that side.'
