MESSAGE FROM THE PRESIDENT

We are now feeling the signs of winter and noticing the days are shorter as we reach the middle of the year.

April saw us celebrate the 95th anniversary of ANZAC Day and once again the weather gods were reasonably kind for the march through the city. Thanks to John Howard for his report in this newsletter re the march.

The annual ANZAC Reunion was held on April 17th at Warradale and all in attendance had a great night. With nearly 60 guests the cooks were kept busy and did a great job. Special thanks to Trevor Klerk and his wife for providing the BBQ trailer and cooking the tucker. John Howard as usual was also busy wielding tongs and turning the steaks. Hard work by many people saw the night proceed without a hitch and included the formal part of the night when we conduct our short ceremony to acknowledge the sacrifices made on that day in 1915.

Last year it was voted by the committee that our association become a member of the Defence Reserves Assoc. (DRA). This followed a presentation by Major General Wilson on the aims and ideals of the DRA. I recently attended the SA Branch AGM and our association was welcomed as a new member along with others on the day. The DRA has an excellent website which details what they are about and who they engage in the interest of the Defence Reserves. If you have time (and the equipment) visit the website at <http://www.dra.org.au>

In the April Newsletter we had an article on WO2 Doug Pammenter and his receiving of the Federation Star. The presentation ceremony went well from all reports and Doug and Pauline had a good time in Canberra. The photo below shows Doug and Pauline with Chief of Army, Lieutenant General Gillespie AO, DSC, CSM. A special thanks to Noel Thomas who put me onto the information regarding Doug and the award. Well done Noel and keep up the snooping and informing.

LTGEN Gillespie with Doug and Pauline

The Spanner Pack program run by the Qld Association continues to be productive and very much appreciated by the RAEME soldiers serving on operations. Over the last 3 years we have contributed very well toward this program and will continue to do so. In this newsletter there is a copy of a thankyou letter received from Captain Michael Fry, OC TST, Mentoring Task Force, Afghanistan (see page 8). The letter was sent to Ray Norman of RAEME Assoc of Qld and Ray forwards these letters on to the other state associations that contribute. Thanks to everyone who has made a donation and as stated we will continue to support this program.

Arte-et-Marte

Dick Moyses – President.

COLONEL COMMANDANT'S UPDATE

Hello Everyone

I have mentioned previously that there was a proposal to create a National RAEME Association.

Our HOC, BRIG Creagh has now requested our ideas on the formation of a National Affiliation of State and Territory Associations to facilitate forming the RAEME National Association (based on a yet to be agreed structure) amongst the state associations and the CORPS Committee.

This is not an attempt to take over the state associations, or to do anything that the States and Territories currently do very well.

The aim is to develop a national affiliation of State and Territory Associations by forming a national body which will work to achieve better outcomes for those things which currently create problems for local associations.

It is believed it would benefit all in a positive manner and in particular identify a common set of goals for all associations and hence support the members of the Corps, provide financial savings and share national tasks and projects.

HOC has agreed to have a National Association funded representative on the Corps Committee, who attends on behalf of all associations as a method of representing association views at the national level.

Some identified items of common interest include:

- Standardization of our RAEME merchandise to achieve economies of scale;
- Common insurance policy cover (cheaper for all concerned);
- National calendar of events;
- National website with all our web sites linked to it; etc

Your committee discussed the proposal during its last meeting and all agreed there could be positive outcomes and generally supported the proposal.

RAEME Offrs, WO's & SNCOs Dining-in Night

I am please to advise that our Deputy Head of Corps (Land) LTCOL Todd Ashurst is planning to attend our Dining-in Night. It will be a great opportunity for us all to welcome him to Central Region again and for our members to meet him.

COL Greg Rosser

ANNUAL CENTRAL REGION
RAEME OFFICERS, WOs & SNCOs
FORMAL DINING-IN NIGHT

Support Battery (the Workshop) at 16th Air Defence Regiment (16AD) Woodside Barracks, is organising the annual RAEME Formal Dining-in Night for all serving and ex-serving RAEME ARA and GRes Officers, WOs and SNCOs.

The Dinner will be held on Saturday 7th August in the 16 AD Regiment Sergeant's Mess at Woodside Barracks. Bus transport will be provided from Keswick Barracks Sergeants' Mess for those living in Adelaide.

A copy of the Invitation is attached to this newsletter, and all those eligible to attend are encouraged to participate. RSVP is required by 23rd July so don't miss out. The invitation is open to all serving and ex-serving RAEME Officers, WOs and SNCOs. While the invitation is being widely circulated, if you know of anyone who has not received an invitation please let them know about the dining-in night as it promises to be a great evening.

RAEME LUNCHEON

The next Luncheon get-together for all ex-serving AEME or RAEME personnel will be held on **Tuesday 7th September** at the **Cremorne Hotel**, 207 Unley Road, Unley, at 12:00pm. This Luncheon is being organised by Bob Davis.

If anyone would like to attend, please contact Bob Davis on (08) 8382 4275 before Friday 3rd Sep so they can let the hotel know how many to cater for.

If you know of others who spent time with AEME or RAEME, please let them know or bring them along.

ANZAC DAY 2010 MARCH REPORT

Drafted by John Howard

This year saw a big reorganisation of the Anzac Day Parade with major changes to the arrangements for all World War 2 units and subsequent changes to the remainder of the marchers. The aim was to focus the attention of the march on to those remaining WW 2 veterans who were able to participate and to shorten the distance they had to march.

For RAEME it meant the separation of AEME/RAEME Assoc members from those who participated in WW 2. The WW 2 veterans remained nearer the front of the march with the WW 2 groups and were part of Group 5 with other WW 2 logistic units. I was later informed only two WW 2 RAEME veterans participated and they were included in the Logistic Group and our RAEME roundel was paraded at the front of the group.

The AEME/RAEME veterans were included as part of Group 12A with other post WW 2 Associations (in front of the Next-of-Kin Group) Group 12A formed up in Grenfell Street near the corner of Pulteney Street and this is likely to be our location for future marches. Like many changes and new ideas there were quite a few teething problems to be sorted out before the AEME/RAEME group formed up and the marshals were convinced we were all in the right location.

Association Banner "On Parade"

This year AEME/RAEME was led by MAJ (Adj) Lee while our association banner was carried by Frank Owen and a Victorian visitor who served in 106 Fd Wksp. This year we marched in rows of 6 and had 40 members "on parade".

I would like to thank MAJ Lee for leading us at short notice, and well done to all the others who participated.

Blondes

A Russian, an American, and a Blonde were talking one day.

The Russian said, 'We were the first in space!'

The American said, 'We were the first on the moon!'

The Blonde said, 'So what? We're going to be the first on the sun!'

The Russian and the American looked at each other and shook their heads.

'You can't land on the sun, you idiot! You'll burn up!' said the Russian.

To which the Blonde replied, 'We're not stupid, you know. We're going at night!'

Operation Spanner Pack

The aim of the operation is to provide RAEME soldiers serving overseas with a pack(s) of goodies which makes their time overseas a little more comfortable.

Recently a further 157 Spanner Packs were dispatched taking the total to 1400 (+) spanner packs that have been sent to our various overseas detachments. The following letter is typical of many received regarding the receipt of spanner packs:

TO

RayNorman
Chairman
RAEME Association Queensland

On behalf of all RAEME .Officers and soldiers currently serving as part of Mentoring Task Force - One, I would like to take the opportunity to thank you and your members for the RAEME 'Spanner Packs' we have received. They have now been distributed throughout the area of operations to all the RAEME soldiers. I speak for all RAEME members deployed, when I say it brings a feeling of great joy and nostalgia to receive a parcel from members of our QLD RAEME family back home.

RAEME
Members of Mentoring
Task Force - One

The soldiers are presently involved in some challenging, arduous and sometimes dangerous work in providing logistic support to the Battle Group and ensuring equipment is at maximum availability. On a daily basis, the nature of their work exposes them to the realities of being deployed in a theatre of war. It is with great pride I watch my soldier's meet every challenge through the RAEME 'can do' attitude, displaying characterizes unique to soldier tradesmen of our Corps.

I again thank you on behalf of my fellow Corps members deployed and look forward to possibly seeing you and your members for a beer after our return in October.

www.raemeqld.org.

Your Association committee plans to make another donation to the Spanner Pack Fund this year.

2010 RAEME MIXED ANZAC FUNCTION

The 2010 RAEME Mixed ANZAC Function was held in the Warradale Area Other Ranks Canteen on Saturday 17th April. We had a good attendance again this year but we can always do with more members, family and friends, so please consider attending next year.

A slideshow presentation preceded the "Remembrance Ceremony" which was held at the traditional 9:00pm with a bugler from Australian Army Band - Adelaide playing the "Rouse" and "Last Post". The function concluded at approx 11:00pm.

We all enjoyed the usual excellent barbeque meal including a range of delicious salads. There were also, lots of raffle prizes and music. Congratulations to the cooks who always make the evening such a success:

Our Treasurer, Don Harvy reports that the association made about \$150 profit from the evening. This was made up of door takings, raffles. There were a number of RAEME merchandise sales and money was also donated for the "Spanner Packs".

Thanks go to all those who assisted in any way during the evening and with refurbishing the Other Ranks Canteen after the function.

Our "Raffle Master" Juris

Universal Laws

1. **Law of Mechanical Repair** - After your hands become coated with grease, your nose will begin to itch and you need to go to the toilet.
2. **Law of Gravity** - Any tool, nut, bolt, screw, when dropped, will roll to the least accessible corner.
3. **Law of Probability** - The probability of being watched is directly proportional to the stupidity of your act.
4. **Law of Random Numbers** - If you dial a wrong number, you never get a busy signal and someone always answers.

Computers

A Spanish Teacher was explaining to her class that in Spanish, unlike English, nouns are designated as either masculine or feminine.

'House' for instance, is feminine: 'la casa.' Pencil, however, is masculine: 'el lapiz.' A student asked, 'What gender is 'computer'?'

Instead of giving the answer, the teacher split the class into two groups, male and female, and asked them to decide for themselves whether computer' should be a masculine or a feminine noun. Each group was asked to give four reasons for its recommendation.

The men's group decided that 'computer' should definitely be of the feminine gender ('la computadora'), because:

1. No one but their creator understands their internal logic;
2. The native language they use to communicate with other computers is incomprehensible to everyone else;

3. Even the smallest mistakes are stored in long term memory for possible later retrieval; and
4. As soon as you make a commitment to one, you find yourself spending half your paycheck on accessories for it.

The women's group, however, concluded that computers should be Masculine ('el computador'), because:

1. In order to do anything with them, you have to turn them on;
2. They have a lot of data, but still can't think for themselves;
3. They are supposed to help you solve problems, but half the time they ARE the problem; and
4. As soon as you commit to one, you realize that if you had waited a little longer, you could have gotten a better model.

The women won.

A quantity of the 2010 RAEME Craftsman Port has been ordered and will arrive soon. Great value at \$20 per bottle

Contact WO2 Grant Kuchel if you are interested in purchasing a bottle (or 2).

A Matter of Timing

A State Trooper was patrolling late at night off the main highway.

He sees a couple in a car, with the interior light brightly glowing.

He carefully approaches the car to get a closer look. Then he sees a young man behind the wheel, reading a computer magazine. He immediately notices a young woman in the rear seat, filing her fingernails.

Puzzled by this surprising situation, the trooper walks to the car and gently raps on the driver's window. The young man lowers his window. 'Uh, yes, Officer'?

The trooper asks: 'What are you doing'?

The young man says: 'Well, Officer, I'm reading a magazine'.

Pointing towards the young woman in the back seat the trooper says: 'And her, what is she doing'?

The young man shrugs: 'Sir, I believe she's filing her fingernails'. Now, the trooper is totally confused. A young couple, alone, in a car, at night in a lover's lane ... And nothing obscene is happening!

The trooper asks: 'What's your age, young man'?

The young man says: 'I'm 22, sir'.

The trooper asks: 'And her, what's her age'?

The young man looks at his watch and replies: 'She'll be 18 in 11 minutes.. '
