MESSAGE FROM THE PRESIDENT

Greetings to everyone and I trust the start to 2015 have been happy, productive and safe. It seems only a few weeks ago that we held our Corps Birthday celebration but in fact that was over 2 months ago!

As usual we finished last year with our AGM and birthday celebration. Both events were reasonably well attended but as always there is room for more members and friends next time. Thanks again to Alan Weeks, members and wives of the REME Association who joined us for the celebrations and took home a few raffle prizes (as always).

The AGM was productive with essentially no changes to the committee. While this is good for stability, we do need fresh ideas and minds participating in the decision making. Despite the lack of change, I remain proud to be in the role as President of our Association.

I would like to pass on my thanks to all the committee members who do a fine job in keeping our records, finances and merchandise up to date and work hard at maintaining the interests of our Association.

This year our duties do take on extra responsibility due to our SA member Phil Coppin taking up the mantle of President of the RAEME National Association (RNA). With Phil being in that role the executive roles of RNA Secretary and Treasurer revert to his state association.

While the duties are not too arduous, they do add to the tasks already completed by our volunteers.

As part of the Birthday celebrations Colonel Cocker announced the recipients of the Association Soldier of the Year Awards. CFN David Webb was the winner of the ARES award while LCPL Mark Faranda was awarded the ARA award. CFN Webb is a Recovery Mechanic posted to Workshop Company 9 CSSB and LCPL Faranda is a Vehicle Mechanic from 7 RAR. Both of these young soldiers epitomise the qualities of the award and have represented their respective trades, our Corps and the Army with distinction. Congratulations to them both.

As we get into 2015 I can confirm that our regular activities will be conducted with the first being our ANZAC Reunion in April. We are also looking at additional activities that will involve more current serving members with the intention of boosting attendance and interest in association get togethers. Check the calendar dates in the newsletter as the year progresses.

Best wishes for a great 2015 and I look forward to catching up with as many members as possible during the year.

43 ARMY CADET UNIT (WARRADALE)

Our Association has agreed to continue supporting the Warradale cadet unit again in 2015. The funds are used to help support the cadets in attending field activities and other military activities.

As part of our sponsorship the Association also set up a Perpetual Trophy which is awarded for the "Best Overall Performance" and is presented to the best cadet within the unit.

The winner of the 'AEME/RAEME Association of SA Inc' trophy for "Best Overall Performance" for 2014 was
CDT CPL Jordan Duffy

43 Army Cadet Unit is one of many AAC units around Australia which provide young Australians with the opportunity to develop skills in leadership, teamwork, self discipline and provide skills training in military like activities, such as field craft and navigation.

ADF statistics (2009) show that 30% of all ADF members are ex cadets.

COMING ACTIVITIES

2015 RAEME ANZAC FUNCTION

Approval is being requested for our Association to conduct the 2015 RAEME Mixed ANZAC Reunion in the combined **Warradale Area Other Ranks Canteen**. It is proposed to hold the function on **Saturday 18th April** commencing at 7:00pm. Format will be similar to last year with a BBQ meal followed by a "Remembrance Ceremony" at 9:00pm.

This function is for serving and ex-serving members and their partners and friends. It will be an opportunity to renew old acquaintances and tell more "TALL Stories". A great evening was enjoyed by all last year and the committee is working very hard to make sure the 2015 function is even better than previous ANZAC reunions.

An Invitation with all the details is included with this Newsletter and will be repeated in the March/April Newsletter.

Mark the 18th April in your diary now and plan to be there!!!

2015 ANZAC DAY MARCH

This year the march will be held on Saturday 25th April and the organisers are promising "good weather". Regardless of the weather we all share a great bond as we march and then enjoy a drink afterwards

The Association has provided relevant information to the RSL regarding our participation in the march, Our association members will be in Group 12(A) again this year (with all of the other Associations). We will be assembling in Grenfell St adjacent to the RAA building. We would like to see as many members as possible march this year as our ranks continue to grow thinner.

As in past years, the members of our RAEME brethren who served in Vietnam will be marching

separately. The Vietnam veterans group will be marching in Group 9(c) again this year. The FUP will be in Pulteney Street between Rundle and Grenfell Streets. All RAEME Vietnam Veterans are welcome to join them. Look for the RAEME Vietnam banner which will help you identify them

Full details will be available on the RSL Website (www.rslsa.org.au) and in "The Signal" magazine.

ANZAC March details will also be included in the April Newsletter.

COMMITTEE OF MANAGEMENT MEETING

Committee of Management Meetings are held at Warradale on 3rd Thursday of every second month. **All members are welcome to attend.** Committee of Management Meetings are held in February, April, June, August and October currently in the **Conference Room at JLU(S)**, but this will change shortly due to their move to Edinburgh.

RAEME BIRTHDAY FAMILY FUNCTION

The 72nd RAEME Corps Birthday was celebrated by Central Region RAEME personnel at Warradale Barracks on Sunday 7th December (following the AGM). As always this was an excellent function which was well attended. It was fantastic to see so many RAEME and REME members and their families attend and enjoy the function.

A number of members of the REME Association travelled to Warradale Barracks to join us for the function. It is great to see the excellent relationship that exists between the two Associations.

The RAEME Birthday Cake was again the highlight of the function. This year the cake was cut by our new Association Life Member, Greg Rosser and his wife Bev.

The AEME/RAEME Association of SA "Soldier of the Year" winners for 2014 were unable to be present at the Birthday function and were presented at alternate Corps activities. The winners are as follows:

- ARA "Soldier of the Year" award went to **LCPL Faranda, VM Tech Support at 7RAR**
- GRes "Soldier of the Year" award went to **CFN David Webb, Recovery Mech, 107 Wksp Coy 9 CSSB**

Our COLCOMDT and President during the presentations

Everyone enjoyed a great BBQ lunch cooked by two of the committee members John Howard and Brian Holmes. They seem to get as much enjoyment out of cooking the food as we do eating it.

As always, it is a great time to catch up with old friends and fellow soldiers. As usual the raffles proved very popular with almost everyone seeming to win a prize.

Our congratulations and thanks go to the organizers and the many helpers who worked so hard on the day to make the function such a success.

Corps History Project

From BRIG Ross Grant (Retd)

I advised you on 23 Nov 14 that the final manuscript for the CHP book was with the publishers, and a number of our team were completing the final editing process collaboratively with them

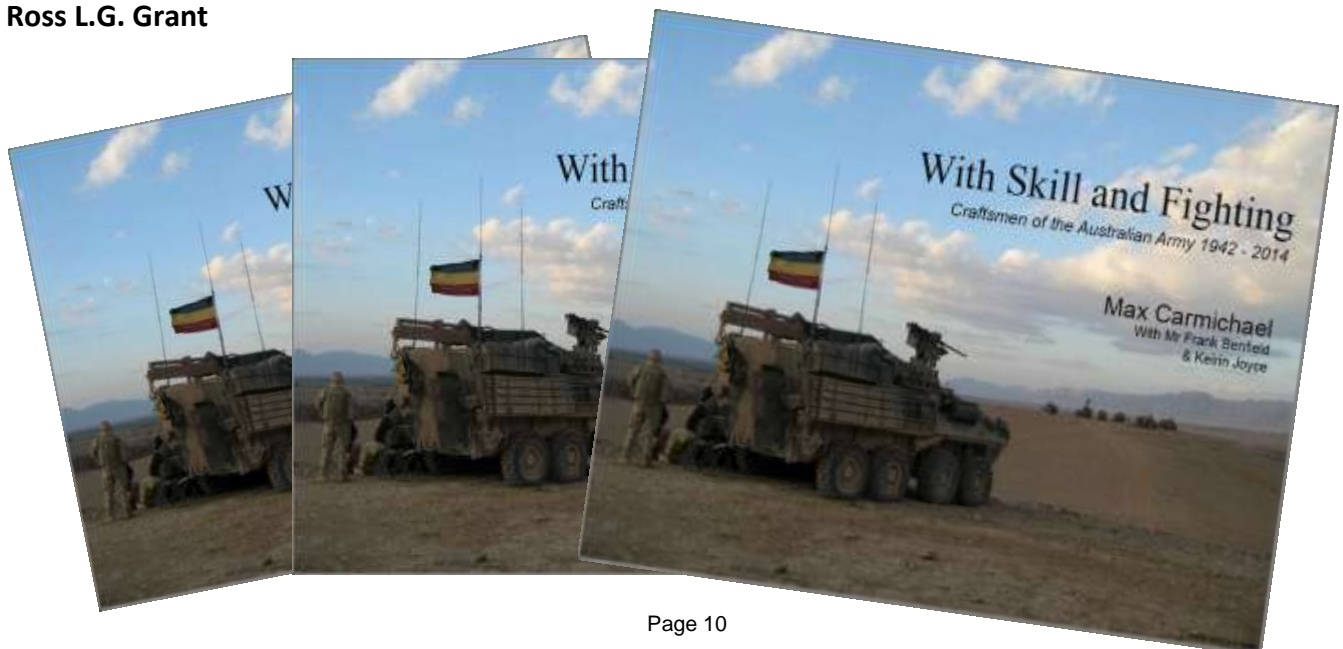

I am happy to report the book has now been provided to the printers, who advise that the printing will be completed by late March and delivered in bulk to the Corps Cell Bandiana by mid-April.

Given this firmer time-line, I have recommended to the HOC, BRIG Andrew Mathewson, that the project continue as follows:

- Continue with the on-line sales process over the next few months, and subsequently, the HOC Cell commence the distribution of the books as soon as they are able, following receipt of the books at Bandiana, in April 2015;
- Schedule the book launch activities at the Australian War Memorial (AWM), for either 11 June (in the week of the Queen's Birthday holiday) or the next week of June 2015 – BRIG Mathewson has agreed to manage this aspect of the book's progress with assistance from COL Tom Reynolds the COL COMDT – NSW/ACT, and that the launch will include the AWM's 'Last Post Ceremony' and other activities to which a number of people will be invited. COL Reynolds is currently looking at the availability of the AWM for the launch, on the aforementioned dates, and the best method for conducting the 'Last Post Ceremony', to make the launch very special; and
- I will continue to provide progress reports to you (our purchasers and sponsors) as the book's delivery dates are firmied, and as the AWM launch activities become clearer.

Thank you once again for all your patience – we can all now see the finish line more clearly.

Ross L.G. Grant

The Pound Vs Euro

The British Penny - European Union Directive No. 456179

In order to bring about further integration with the single European currency, the Euro, all citizens of the United Kingdom of Great Britain and Northern Ireland must be made aware that the phrase "Spending a Penny" is not to be used after 31 December 2014.

From this date onwards, the correct term will be: "Euronating".

It is hoped that this will be a great relief to everyone.

Spanner Pack Update

The RAEME Association Queensland has despatched another fifty two (52) packs in early November for Afghanistan bringing the total to 3150 despatched since they undertook this important task.

Please advise Ray Norman if you know of any RAEME soldiers that are being or are deployed to places other than to Afghanistan. We need to ensure all deployed RAEME personnel get their packs. We would also like to hear from you if you know of anyone or any organisation would like to donate items to place in the pack – they often need their contents refreshed.

INFORMATION WANTED

Van Gasse Ronny has sent a message via the "Contact Us" form on the National RAEME Association website. If you believe you can help, you can respond to him via the email below

SUBJECT: Info request

Email: president@studiegroep-fort-bornem.be

His Request Message is as follows:

Dear,

I am a 47 year old mechanic who, for many years, has been passionately involved with the restoration of military oldtimers. In the past I already built a Minerva, a Minerva Ambulance and a Gillet AB 500.

Currently there is a Land Rover SWB S2a on my wish list. For this vehicle, I want to do something special and my search on the web brought me to a type of which only a few were built of. According to the source on the web: "The Land Rover Wrecker is one of the more unusual variants used by the Australian Army. A Short Wheelbase Light Wrecker-which Appears to have been designed and built by RAEME "

It would be an enormous challenge and honor to be able to build my Land Rover in this conversion during the restoration.

I'd like to know whether you have intel and / or photographic material about this vehicle that I could use for this purpose.

Golfing!!!

Four married guys go golfing. During the 4th hole the following conversation took place:

First Guy: "You have no idea what I had to do to be able to come out golfing this weekend. I had to promise my wife that I will paint every room in the house next weekend."

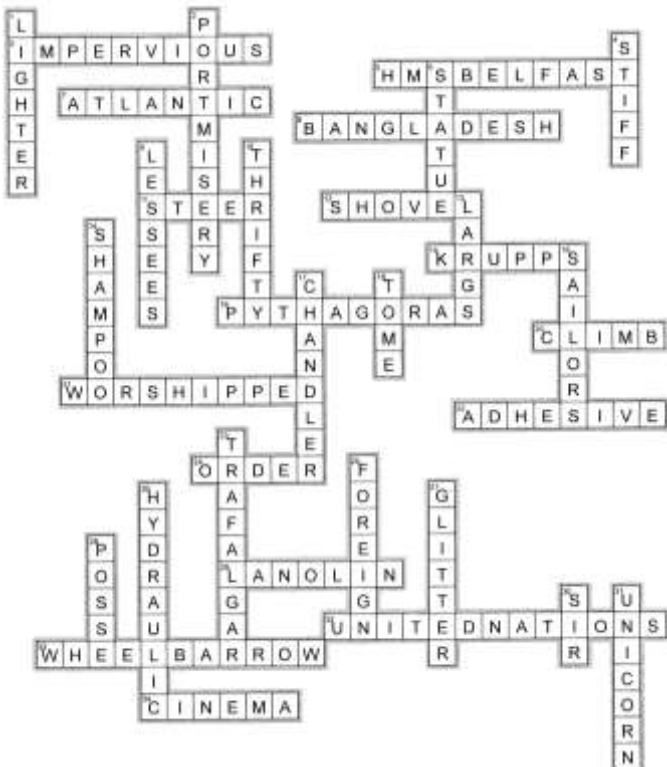

Second Guy: "That's nothing, I had to promise my wife that I will build her a new deck for the pool."

Third Guy: "Man, you both have it easy! I had to promise my wife that I will remodel the kitchen for her."

They continue to play the hole when they realized that the fourth guy has not said a word. So they ask him. "You haven't said anything about what you had to do to be able to come golfing this weekend. What's the deal?"

Fourth Guy: "I just set my alarm for 5:30am. When it goes off, I shut off my alarm, give the wife a nudge and say, 'Golf Course or Intercourse?' So she says, "See you later."
