PRESIDENT'S REPORT

Well half way through another year and I am pleased to report that your association has been involved in a couple of recent activities that includes raising some funds, sponsoring a golf day and naturally ANZAC Day.

Before mentioning those items I must comment on the sad passing of our highly respected Association Life Member and Past President, WO1 Daryl "Dutchy" Holland. Dutchy passed away on Sunday 19th April, and as news of his passing became known there was a groundswell of respectful acknowledgements and memories being swapped among those of us who served with him.

On ANZAC Day, following the march, a group of us gathered at Torrens Parade Ground and "raised a glass to Dutchy". Naturally some stories were told and many a funny moment recalled as we reflected on Dutchy's career. As a result of many a conversation, I am pleased to advise that the Association is hosting a Wake for Dutchy on Saturday 27th June. This will be our opportunity to remember Dutchy and acknowledge his contribution to Defence, our Association, and importantly how he influenced us as individuals.

Full details are contained in the newsletter and I look forward to getting together on the night.

As we all know ANZAC Day this year was the centenary event as we look back 100 years since that day at Gallipoli. I am sure there were many Dawn Services attended in greater numbers this year as a result of the attention given by the media. For me it was a lovely fresh but rain free dawn Service at Glenelg where the new memorial was centre of attention for the first time.

The march itself was well attended with approximately 30 members and guests in our ranks. A shower of rain passed by while we were waiting but it was all gone by the time we stepped off. Thanks again to John Howard for being the organizer in the lead up to and on the day.

During the first committee meeting of the year it was decided to look at ways to raise the profile of our association in the eyes younger current serving members of the Corps. One of the suggestions was a golf day which would be held for any members of RAEME with the event being hosted by 7 RAR Workshop. CFN Jamie Hall was nominated/ volunteered as the organizer and what a great choice. Jamie and I had numerous phone conversations and it was immediately evident he has a passion for the game and he was equally passionate about arranging the day. The end result was a very successful afternoon at Regency Park Golf Course. Unfortunately I was not able to make the day but we did get a few of the committee members there to join in. The association provided \$200 toward prizes which were presented to players for long drives and nearest the pin holes. Thanks and well done to Jamie for his tremendous work in putting the day together.

More recently our Secretary, Don Harvy had managed to secure a Friday BBQ date at Bunnings Noarlunga. Thanks to those guys who helped out on the day which was overseen by Greg Rosser. Once again the funds raised will be vital to our bank account as we carefully balance money in the bank versus outgoing expenses. Another BBQ is secured for later in the year and we will be looking for volunteers as the day gets nearer.

This newsletter also provides details on a couple of dinners being planned so please look at the dates and see if you can join us at the dinners. Every opportunity to get together is important and I look forward to catching up in the near future.

VALE – Lest We Forget the Fallen

VALE - WO1 Daryl (Dutchy) HOLLAND

It is with regret that we advise the passing of WO1 Dutchy Holland on 19 April 2015.

Dutchy was a highly respected member of RAEME who was always prepared to go the "extra yard" to make sure things were done well.

He was a member of the AEME/RAEME Association of SA for over 30 years including 20 years on the committee and during that time he spent 10 years as President. He was made an Honorary Life Member of the Association in 2003.

Dutchy started his military career as an Army Apprentice in the Vehicle Mechanic stream being part of the 9th Intake at Balcombe (Victoria). When he got out of the ARA he worked as a civilian in 41 Supply Battalion at Warradale looking after the pool vehicles.

Sometime later he joined the CMF (now called GRes) at 107 Infantry Field Workshops at Keswick and later at Warradale as ASM. From there he served in the Light Aid Detachments (LADs) of a number of the CMF units including 8 Transport Company (RACT), 3/9 South Australian Mounted Rifles (RAAC) and finished his career as ASM of 8 Transport Squadron.

Dutchy requested a private funeral and that all his "army mates" should have a drink "with him" next time they got together.

After a number of requests and suggestions from various RAEME Groups for a suitable get together to remember Dutchy our President MAJ Richard Moyses, with help from other GRes members, have organised a function in the combined Officers and SGTs Mess at Warradale Barracks on Saturday 27th June starting at 7.00pm.

The activity is expected to go on into the evening so you are welcome to call in even for a short time to "have a drink with Dutchy" and share a few of your favourite Dutchy stories.

It is a mixed function and wives/partners are welcome to attend.

Some finger food will be provided and drinks will be at Mess prices.

If you are intending to attend please email one of the following by Tuesday 23rd June so that the organisers have some idea of numbers:

Moyes, Dick MAJ <Dick.Moyes@defence.gov.au>

Pammenter, Doug WO2 <Doug.Pammenter@defence.gov.au>

The invitation is open to anyone who knew Dutchy and members of all Corps are welcome to join us. Please spread the message and let everyone know. Details are also included on Page 1 of this newsletter.

Please join us for our tribute to Dutchy

We will remember him

Update on LT Lionel Penley (ex WO2)

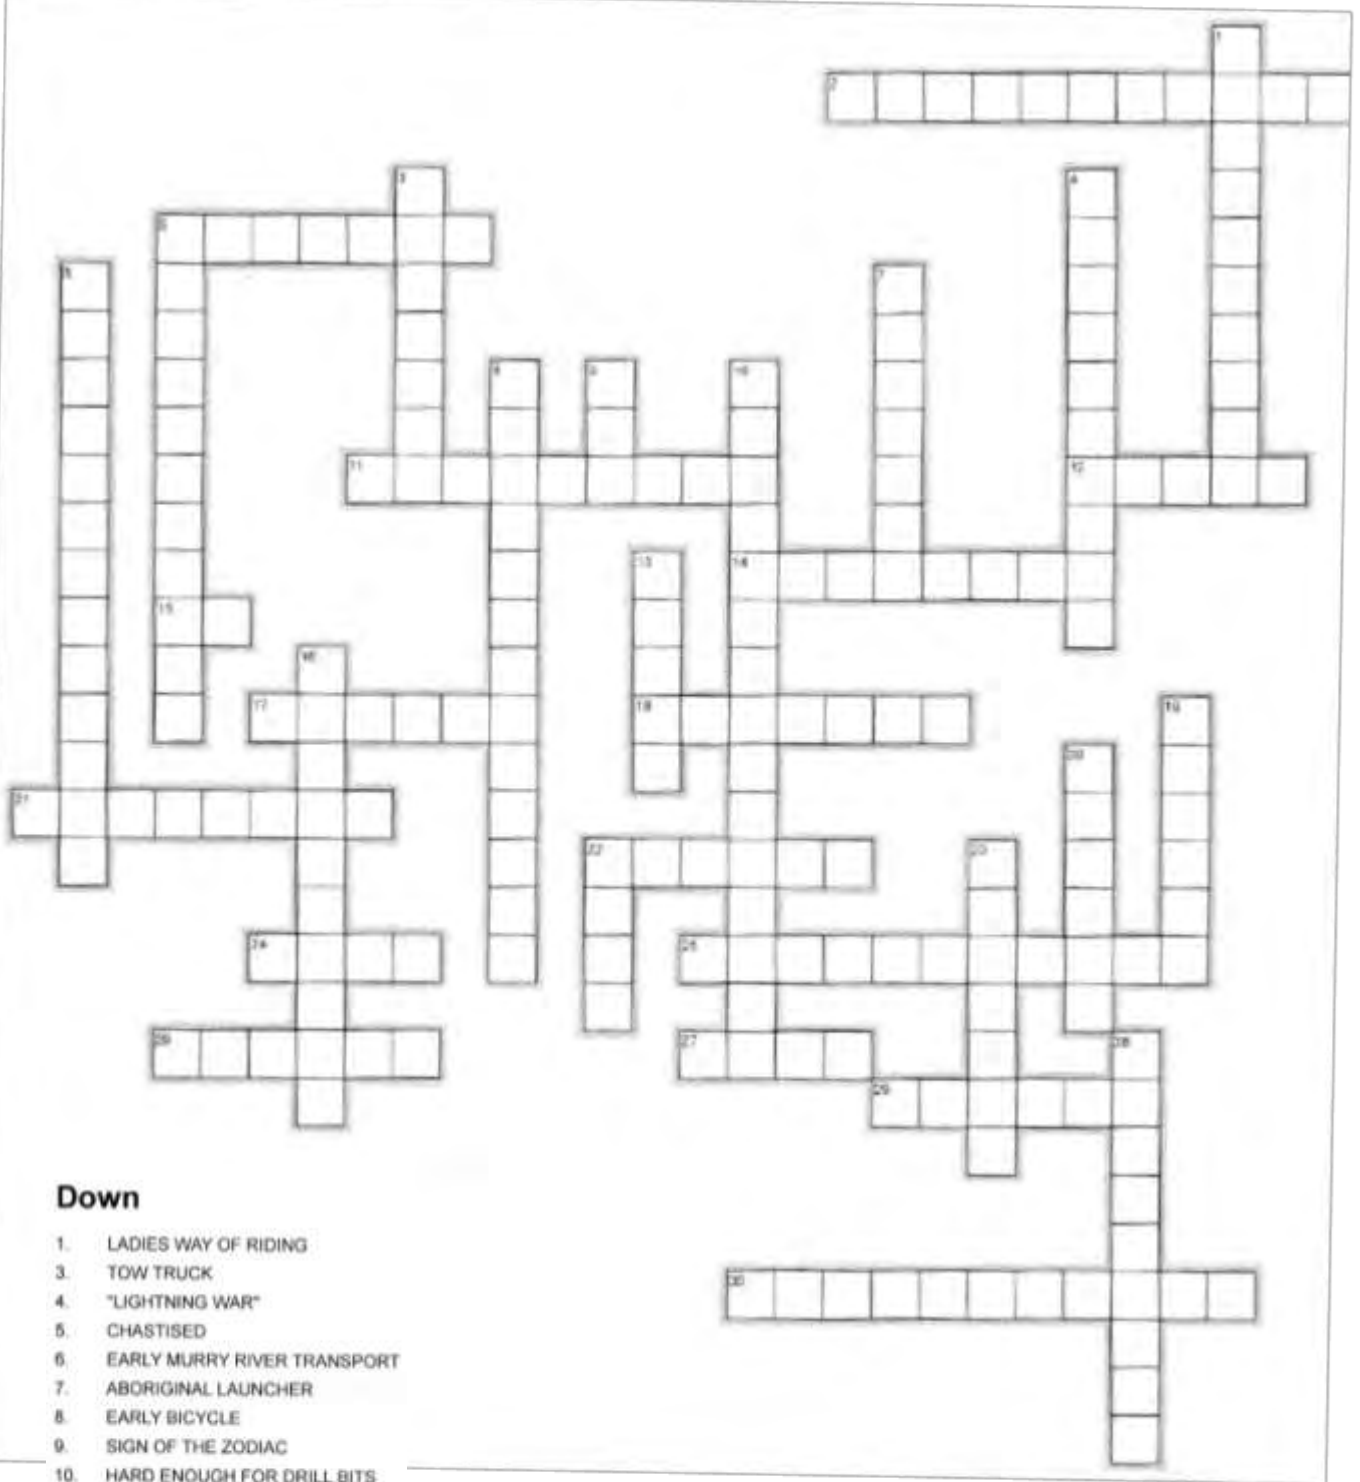

Early April I had a phone call from Adrian, son of one of our members, advising that his father Lionel Penley has moved from his independent living unit at Campbelltown and is now living in the Oaklands Residential Aged Care Facility, 2 Jean Street, Oaklands Park. Just before Anzac Day Marg and I went to visit Lionel. Lionel spoke about his service in North Africa with the 2/4 Army Field Workshop and how he and a mate were seconded to the British Royal Engineers for 2 weeks to destroy disabled German tanks. Lionel worked for Harris Scarfe in a department that supplied equipment to mining companies, I haven't seen that department in the new Harris Scarfe store. He also wrote a book about Harris Scarfe and his time there. We talked about the painting on his walls, one painted by his late wife, and the RSL certificates awarded to him. It has been too many years since I last saw Lionel so it was great to catch up with him. During my early years as President of the Association he and other senior members were always there to help steer me in the right direction.

I checked with Adrian if it was alright to put a note in our newsletter advising our members where Lionel is now living and can he have visitors and he said yes Lionel would love to see visitors, all you have to do is sign in and out in the book in the reception area

Operation Spanner Pack.

The Spanner Pack operation is still busy keeping in touch with our brothers and sisters on deployed operations and they have recently provided another 50 Spanner Packs to our overseas members.

Please advise Ray Norman if you know of RAEME soldiers being, or who are deployed, to places other than Afghanistan. We need to ensure all deployed RAEME personnel get their packs. Ray would also like to hear from you if you know of anyone or any organisation who would like to donate items to refresh the contents of the packs.

This operation will continue whilst RAEME troops are on deployment, so your continued support is welcome.

They are still valued very much as the following letter suggests!

Raymond G. Norman OAM
Spanner Pack Coordinator
rgnorman1944@gmail.com

Dear MAJ Norman,

Firstly I hope this finds you well and enjoying life, it is a while since I have seen you however I have been following things as closely as I could. I am the RSM Australian Forces and a sergeant major mentor.

There are currently five RAEME soldiers here at the Afghan National Army Officer Academy, four (2 x VM, 1 x Fitter and 1 x Radio Mech) maintaining all the equipment that keeps us alive and kicking. They are doing a great job and are a credit to both themselves and the Corps. It is a pleasure to drop in and say hello and see what is happening at the coal face, makes me feel young again, and me.

This is just a short note to pass on my thanks to you and all those associated with 'Operation Spanner Pack'. Over time I have read the many thank you letters from those deployed, and have enjoyed the stories of jealousy amongst others serving with RAEME – now, I too, am a lucky recipient of one of the famous 'Spanner Pack' whilst deployed.

Please pass on my thanks to all those who continue to give their time and labour to support RAEME deployed soldiers – their efforts make me proud to be a member of the Corps.

Kind regards and good health,
Martin Burgess
RSM Australian Forces

ANZAC DAY 2015 MARCH REPORT

The Adelaide ANZAC DAY March is the highlight of the year for a number of our veterans. The weather was kind to the RAEME groups with a major rain shower occurring just before both groups stepped off. RAEME was reasonably well represented again this year but we can always do with more marchers. Those who attended last year will remember that CPL George Cooke came dressed in a WW1 uniform; he did so again this year. As usual, a number of members preferred to march with their parent units because they get to march with their friends. Given this fact we still had 60 RAEME personnel marching under the 2 different RAEME group banners.

RAEME VIETNAM VETERANS - GROUP 9 (C)

The group assembled on the eastern side of Pulteney Street adjacent to Grenfell Street.

The Vietnam RAEME Group march was again led by MAJ (ADJ) Lee with 30 + marching in the ranks. A great effort and hopefully the numbers will continue to grow.

The group again marched with pride under their new banner (see picture above). Their new banner has become a rallying point for all RAEME soldiers who served in Vietnam and hopefully numbers will continue to grow. We look forward to seeing it carried with pride during future marches.

AEME/RAEME ASSOCIATION - GROUP 12(A)

The group again assembled on the northern side of Grenfell Street, west of Pulteney Street.

This year even a bit of rain prior to stepping off couldn't prevent the group from marching in fine form. We were pleased that our Association President MAJ Richard Moyses was able to march with us again this year. Thirty (30) RAEME "soldiers" proudly marched behind our leader for 2015 John Howard and he was proudly followed by the association banner. MAJ Moyses helped carry the banner this year while CPL Cooke marched "in the ranks". Well done to all who marched and hopefully you all had a great day after the march as well.

After the march a number of our RAEME brethren all met at the Torrens Parade Ground to "share a drink with Dutchy". There will be another get together in June for those who missed out. See page 4 for details.

The group at Torrens Training Depot

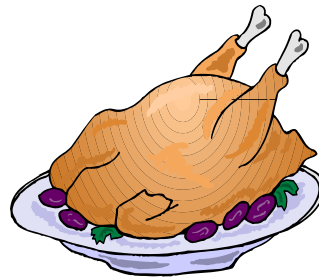

The association committee would like to thank everyone who attended and represented RAEME during the march as it is important that the Corps is seen to be alive and well during this type of activity.

Planning is under way with exact details still being finalised.

Full details and RSVP details in the September Newsletter

June 30, 2015 marks the 50th Anniversary of the commencement of the second (1965-1072) Australian National Service Scheme.

Half a century ago, the first of the 63,735 young men called up for two years (later reduced to 18 months) service in the Regular Army marched into Recruit Training at Kapooka, Puckapunyal and later Singleton. Of these, 150 served in Borneo and 15,381 in Vietnam. 212 made the Ultimate Sacrifice.

The era was most significant in Australian military history with the war in Vietnam and the rapid escalation in the size of the Australian Army.

Although not part of their original life plan, most regarded their time in the Service favourably.

It is proper that this milestone be appropriately acknowledged. Accordingly, the National Servicemen's Association of Australia, in conjunction with the O.T.U. Association is planning a ceremony to pay the occasion the recognition it deserves.

A commemorative service is to be held at the National Service Memorial in Canberra, ACT at 1000 hours on June 30, 2015. It will take the form of a march from the National War Memorial to the site followed by the service itself.

If you are in Canberra or wish to join other Nashos in celebrating this great occasion you can contact the organisers at the following addresses:

2015 RAEME ANZAC FUNCTION REPORT

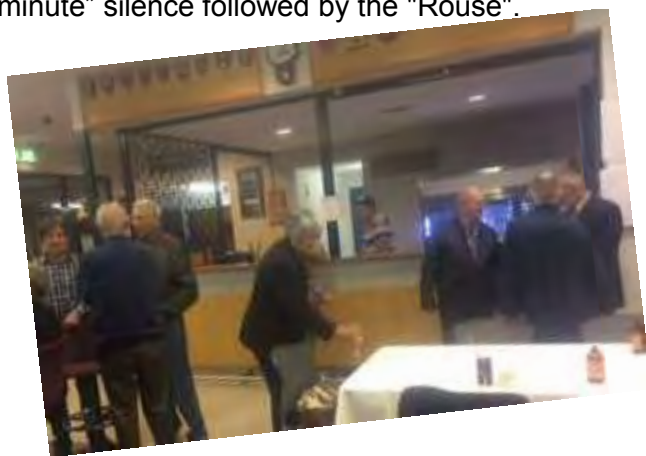

The 2015 RAEME Mixed ANZAC Function, held on Saturday 18th April, was again a great success. This year we had a different venue and it was held in the Warradale Area Officers and Sergeants Mess. We were privileged to have our COLCOMDT COL David Cocker join us again for the evening. I am sure he enjoyed the function and meeting a number of people he had served with in SA and other places.

We all enjoyed the usual excellent barbeque which included steak, sausages and chicken patties plus the large range of delicious salads. Congratulations to

Trevor Clerke, John Howard and Brian Homes who do such a good job with the cooking.

The traditional "Remembrance Ceremony" was held at 9:00pm with a slide show (with music) leading up to the playing the "Last Post", our traditional "one minute" silence followed by the "Rouse".

There were also a large number of raffle prize winners with the prizes being well spread amongst those attending.

Any profit we make from the evening, including takings from the door, raffles, sale of merchandise etc is used in the running of our association. Bar trading profits go to the relevant mess we use.

Note: A range of RAEME merchandise is always available for sale at our activities.

Thanks go to all those who assisted in any way during the evening and those who helped with refurbishing the Mess after the function.

These activities are a great place to meet old friends and acquaintances so please make sure you join us in the future and don't forget to invite your family and friends and any other RAEME members you meet.

Your Vegetable Garden

Once there was a beautiful woman in Nimbin who loved to work in her organic vegetable garden, but no matter what she did, she couldn't get her organic tomatoes to ripen.

Admiring her neighbour's garden, which had beautiful bright red organic tomatoes, she went one day and inquired of him his secret.

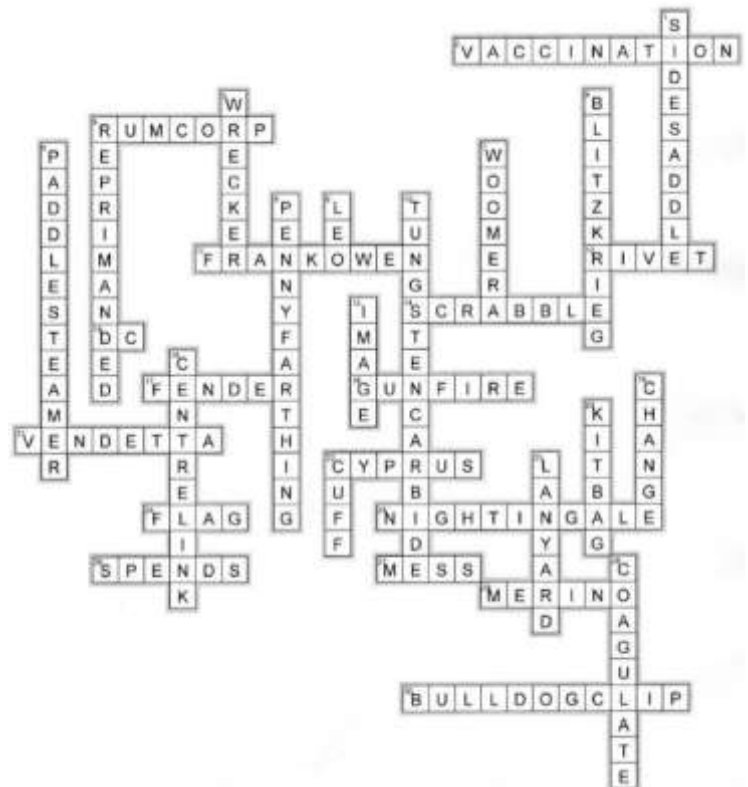

"It's really quite simple," the old man explained. "Twice each day, in the morning and in the evening, I expose myself in front of the tomatoes and they turn red with embarrassment."

Desperate for the perfect organic garden, she tried his advice and proceeded to expose herself to her plants twice daily.

Two weeks passed and her neighbour stopped by to check her progress. "So," he asked, "any luck with your tomatoes?"

"No," she replied excitedly... "but you should see the size of my cucumbers!"
