### MESSAGE FROM THE PRESIDENT

With winter well and truly upon us it seems like a long time since we celebrated ANZAC Day and caught up with friends and old mates at the march. The annual ANZAC Reunion was held at Warradale and was once again a successful night. Nearly 60 guests attended and made for a good time with a great feed prepared by the usual helpers. Thanks to John and Brian on the barby, Marg and Mike Culley, Grant and Christine, and Don, Juris and Troy for the usual hard work that makes our activities successful

As we all know ANZAC Day coincided with Easter so we had an extra long weekend and a good break leading up to the March. Thanks to Mike and John in putting together a few words on the Association contingent.

In other areas it is pretty much business as usual. Our calendar has a few activities on the horizon with the Officers, SNCOs and WOs dinner planned for August 19<sup>th</sup> in the Officers Mess at Woodside. See notice in the Newsletter.

We are also in the initial planning stages for the All Ranks Dinner which we plan to hold in October. Last year we were very pleased with the dinner being held at Brighton RSL so

we are considering this plus a few other venues. We will finalise the details shortly and advise all members in the next newsletter.

On the national front there has been progress in regard to the formation of the National RAEME Association. It has now been decreed that the association will be known as the RAEME Association. Our Head of Corps Brigadier D. Creagh AM, announced that QLD RAEME Association President, Mr Ray Norman, OAM be appointed the inaugural RAEME Association National Representative. This appointment was followed by a detailed outline of what is proposed and expected of not only the RAEME Association but of the elected representatives. The next step is the development of a Charter that will provide details to all State associations.

I have responded to the initial information on behalf of our Association and look forward to receiving the Charter.

We have also maintained our contribution to the Spanner Pack Fund and recently received photos of deployed RAEME brethren opening the packs. These always provide a bit of excitement and naturally give our soldiers the opportunity to rub it in a bit to the other Corps.

Last year the committee executive agreed to sponsor the local Warradale barracks Cadet unit, 43 RCU. This sponsorship is an annual contribution of \$200 that is used to support an individual or group of Cadets throughout the year. A trophy is also provided and presented to the cadet that is deemed to have shown the "Best Overall Performance" for the year. In acknowledgement of recognition of our sponsorship, a sign has been placed at the entrance to 43 RCU. I recently met with OC 43 RCU Captain (AAC) Harvy (also our Association Secretary) as he proudly displayed the new signage.

I am fully supportive of our assistance and interest in the cadets and will encourage our sponsorship to continue.

I hope that all members are well and look forward to catching up over the next few months.

## **COLONEL COMMANDANT'S UPDATE**

Hello Everyone

My wife and I have recently returned from a 3 week visit to Vietnam and Cambodia and we found it very interesting. During my period of full time duty I was unlucky (or lucky?) not to be posted to Vietnam and have always wanted to go and see what it was like, particularly before it fully became a giant tourist resort.

From my observations, the North has lots of picturesque areas, but Hanoi has not advanced as much as the major cities in the South. Da Nang (central Vietnam) was a really interesting with the beach area being set up as the Gold Coast of Vietnam, lots of beach front apartments, golf courses, new town layout, wide streets with easy access to airport and other tourist areas

Ho Chi Min City is also spreading both side of the Mekong River with new expressways and road works a common occurrence. Like most of Asia, totally motor bike /scooter crazy. While we were there we took the opportunity to visit the "Long Tan" memorial and we were fortunate to have a local guide who had a good knowledge of the battle (from both points of view) and he organised long stem roses to place on the memorial and a service to pay respect to those Australians who died in the battle. A very moving experience.

We then went to Nui Dat, the site of the main Australian Fire Base, which is now a small town which uses the base runway as its main street. He also showed us tunnels which were dug to within 1 km of the base perimeter.

For those of you who haven't been to Vietnam, it is a very interesting place to visit and we recommend coupling it with a trip to Seam Reap (Cambodia) to see the Temple Ruins at Angkor Wat and Angkor Tom.

The "President's Report" provides a rundown on progress with the new National Association so I will not discuss it further.

### **RAEME Offrs, WOs & SNCOs Dining-in Night**

The dinner will be held on Friday 19<sup>th</sup> August at Woodside Barracks. I am please to advise that our Head of Corps, Brig David Creagh, is planning to attend along with other members of the Head of Corps cell. It will be a great opportunity to welcome them to South Australia. For a rundown on all details please see page 5 and the attached flyer.

**Footnote: BRIG Creagh was awarded the Australia Medal (AM) earlier this year for exceptional service as Commander 17th Combat Service Support Brigade, Chief of Staff Headquarters Training Command and Director Logistics. On your behalf, I would also like to applaude his efforts as Head of Corps – RAEME.**

Congratulations are in order if you meet him.

### RAEME IN THE FIELD

(OR STATE OF VICTORIAN ROADS!!)

Bob Killoran one of our committee members (and an ex RAA serviceman) reports that at 10am on Sunday 15th May 2011 he was 1km out of St Arnaud when he experienced the horror of horrors, a flat tyre.

He changed the tyre and drove into St Arnaud Tyre Service where the owner was doing a job for friend and he immediately stopped that job, pulled Bob's tyre off rim, patched the inside of the tyre, refitted it to front of car and then put the spare back underneath Bob's vehicle. All for \$30.

# ANZAC DAY 2011 MARCH REPORT

*Information provided by John Howard and Mike Culley*

This year saw a continuation of the big reorganisation of the Anzac Day Parade with major changes to the arrangements for all World War 2 units and subsequent changes to the remainder of the marchers. The aim was to focus the attention of the march on to those remaining WW 2 veterans who were able to participate and to shorten the distance they had to march.

For the RAEME group(s) there was an additional variation this year with Frank Owen (with agreement from the AEME/ RAEME Association of SA) organising a separate Vietnam RAEME Group. This had the advantage of allowing RAEME veterans who, in the past, had been marching with the unit in which they served to march under the RAEME banner.

The Vietnam RAEME Group was lead by MAJ (Adj) Lee with approximately 30 in the ranks. A great effort Frank and hopefully it will be a bigger group next year once more of our RAEME brethren get to know about the new group.

The RAEME WW 2 veterans group continues to get smaller each year with most attending being confined to travelling in Land Rovers or buses. It is believed only two WW 2 RAEME veterans participated and they were included with the WW 2 Logistic Group and our RAEME roundel was paraded at the front of the group.

The AEME/RAEME members were again included as part of Group 12A with other post WW 2 Associations (in front of the Next-of-Kin Group) Group 12A formed up in Grenfell Street near the corner of Pulteney Street and this is likely to be our location for future marches. There were a few teething problems to be sorted out before the AEME/RAEME group formed up in the right location.

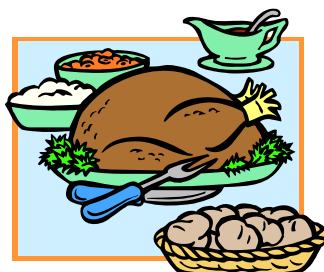

*Association Banner "On Parade"*

This year AEME/RAEME was led by one of our ex-Presidents, Mike Culley and all attending enjoyed the march.

The association committee would like to thank everyone who attended and represented RAEME during the march as it is important that the Corps is seen to be alive and well during this type of activity.

# Operation Spanner Pack

The aim of the operation is to provide RAEME soldiers serving overseas with a pack(s) of goodies which makes their time overseas a little more comfortable.

This crucial project continues to contribute to the moral of our deployed soldiers. It is clear from their many thank you notes, that they appreciate the efforts of the various RAEME Associations nationally, who pull together to get the Spanner Packs to them. Chief of Army, LTGEN Ken Gillespie AC, DSC, CSM, is also grateful and recently rang me to personally express his appreciation for the members of the various associations and their mighty work. To date some two thousand packs have been sent – a wonderful result. However, we still need your support. In particular we need the following items to be placed in the packs: small grocery and confectionary goods, men’s’ and women’s’ magazines, books, small personal hygiene products and anything which can make their off-duty moments interesting and enjoyable. Remember these are young soldiers and have different needs to some of us “Olds and Bolds”, but they commonly need some creature comforts to assist them ease their difficult circumstances on operations and remind them of home.

*The latest team effort – From left to right – Ray Norman, Pam and Ron McElwaine, Kath Hermann, Karen Stafford, Jeff, Sue and Sandra Maurice, Brian Daley, Bruce Hermann, Marg and Ewan McLeod, Barb Daley, Phil and Kathy Gee and Stewart Bowles taking the photo*

We have also surveyed many of our recent returned soldiers, and some of those about to leave for operations. As a result, we are in the process of putting together lists of items most preferred by the soldiers. Some of the favoured items include food items – vegemite, biscuits, lollies, magazines, packs of cards, hygiene items, games and books.

The Association’s aim is to ensure that every RAEME soldier receives at least one “Spanner Pack” on each deployment/posting overseas. You can assist by providing financial donations; becoming a commercial sponsor with appropriate products, and /or putting us in touch with other possible sponsors plus packing items for dispatch. We are very open to suggestions and other forms of assistance.

# 2011 RAEME MIXED ANZAC FUNCTION

The 2011 RAEME Mixed ANZAC Function was held in the Warradale Area Other Ranks Canteen on Saturday 9<sup>th</sup> April. We had a good attendance again this year, but we can always do with more members, family and friends, so please consider attending next year and invite any other RAEME members you meet.

Grant Kuchel provided a great slideshow presentation to precede the "Remembrance Ceremony" which was held at the traditional 9:00pm. Warrant Officer Al Kidney from Australian Army Band - Adelaide played the "Rouse" and "Last Post". The function concluded at approx 11:30pm.

Everyone enjoyed the usual excellent barbeque meal including the range of delicious salads. There were also, lots of raffle prizes and music. Congratulations to the cooks who always make the evening such a success:

Our "Raffle Master" Juris in action  
(Unfortunately no pictures were taken- picture from a previous year)

Our Treasurer, Ron Moran reports that the association made about \$180 profit from the evening. This was made up of door takings, raffles. There were a number of RAEME merchandise sales and money was also collected to assist the "Spanner Pack" appeal.

Thanks go to all those who assisted in any way during the evening and with refurbishing the Other Ranks Canteen after the function.

## Who is WORKING

The population of this country is 20 million.

11 million are retired.

That leaves 9 million to do the work.

There are 5 million in school

Which leaves 4 million to do the work.

Of this there are 2 million employed by the federal government.

Leaving 2 million to do the work.

0.1 million are in the armed forces preoccupied with killing Osama Bin-Laden.

Which leaves 1.9 million to do the work.

Take from that total the 1.5 million people who work for state and city Governments. And that leaves 0.4 million to do the work.

At any given time there are 18,800 people in hospitals.

Leaving 381,200 to do the work.

Now, there are 380,998 people in prisons.

That leaves just two people to do the work.

You and me.

And there you are,

Sitting on your ass,

And READING jokes.

Nice. Real nice.

## Generation Y

- People born before 1945 were called **The Silent Generation.**

- People born between 1945 and 1964 are called **The Baby Boomers.**

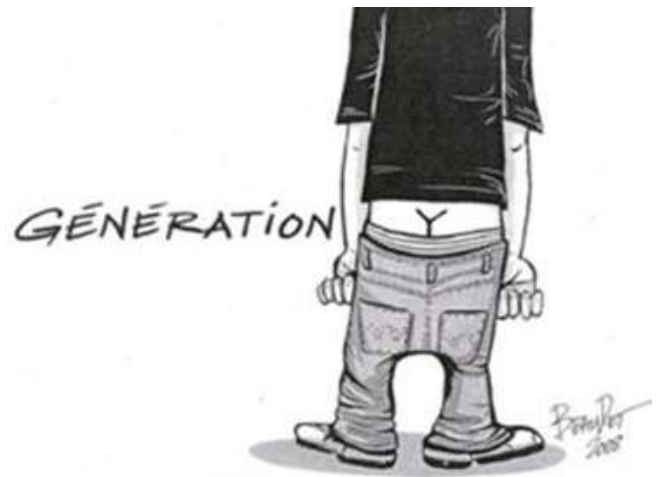

- People born between 1965 and 1979 are called **Generation X,**

- And people born between 1980 and 2010 are called **Generation Y**

### Why do we call the last group Generation Y?

- Y should I get a job?
- Y should I leave home and find my own place?
- Y should I get a car when I can borrow yours?
- Y should I clean my room?
- Y should I wash and iron my own clothes?
- Y should I buy any food?

But a cartoonist explained it very eloquently below...

# School Outing

A group of primary school infants, accompanied by two female teachers, went on a field trip to Cheltenham races to see and learn about thoroughbred horses.

When it was time to take the children to the toilet, it was decided that the girls would go with one teacher and the boys would go with the other.

The teacher assigned to the boys was waiting outside the men's toilet when one of the boys came out and told her that none of them could reach the urinal.

Having no choice, she went inside, helped the boys with their underpants, and began hoisting the boys up, one by one, holding their willies to direct the flow away from their clothes.

As she lifted one, she couldn't help but notice that he was unusually well endowed. Trying not to show that she was staring, the teacher said, 'You must be in year four.'

'No, love,' he replied.

## **DO NOT TALK TO MY PARROT**

*Wanda's dishwasher quit working so she called a repairman.*

*Since she had to go to work the next day, she told the repairman, "I'll leave the key under the mat.*

*Fix the dishwasher, leave the bill on the counter, and I'll mail you a cheque ."*

*"Oh, by the way don't worry about my dog Spike. He won't bother you.*

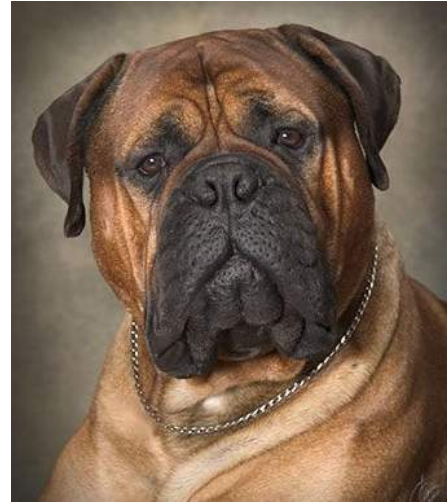

*But, whatever you do, do NOT, under ANY circumstances, talk to my parrot!"*

*"I REPEAT; DO NOT TALK TO MY PARROT!!!"*

*When the repairman arrived at Wanda's apartment the following day, he discovered the biggest, meanest looking dog*

*he has ever seen.*

*But, just as she had said, the dog just lay there on the carpet watching the repairman go about his work.*

*The parrot, however, drove him nuts the whole time with his incessant yelling, cursing and name calling.*

*Finally the repairman couldn't contain himself any longer and yelled, "Shut up, you stupid, ugly bird!"*

*To which the parrot replied, "**Get him, Spike!**"*
