PRESIDENT'S REPORT

Well here we are again in the midst of winter weather and hopefully avoiding the aches and pains that can go with it. Since last newsletter we have acknowledged

another Anzac Day and also enjoyed the annual Anzac function once again held at Warradale.

The function was attended by 60 association members and friends which is a good number. It is always great to have a good turn out and catch up in a relaxed and enjoyable social setting. It confirms my belief that while we are a small association, we do embrace the traditions and esprit de corps that goes with being part of the RAEME family.

The BBQ was well managed by John Howard and Brian Holmes, and Marg Culley was busy as usual helping with salads and kitchen work. There was a slight concern when one of the BBQs seemed to flare up with flames being much bigger than the norm and quite obviously being out of control. Despite that the snags and steaks survived (along with the cooks) and we all got a great feed.

The raffle prizes were of good standard and this resulted in a high number of tickets being sold and some very happy winners. Thanks to Judy Moyses and everyone involved with the raffles. The traditional Remembrance Ceremony was conducted at 2100 with support from Grant Kuchel and Colonel Cocker. There is a full article and photos on the function in this newsletter.

Anzac Day itself was as always a great day and once again the wet weather held off for the march, although I did get wet at the Glenelg dawn service. We had a good number in our contingent with approximately 25 -30 members in the group. The march went off well albeit there was a bit of stop start and marking time (well trying) due to the traffic jam that seems to be unavoidable.

At the completion of the march we all went in different directions but there was a group of about half dozen who made their way to the Metropolitan Hotel in Grote Street where a RAEME gathering had been arranged by ASM 16 ALR, WO1 Jason Jarrett,. By 1300 there was a group of approximately 20 enjoying drinks along with some snacks that had been funded by HOC Cell. This was a great initiative and something we hope can be arranged and advised widely for future Anzac days. Well done and thanks to Jason for organising this.

The major event this year is our Corps 75th anniversary. To mark the occasion in SA, we are holding a anniversary dinner on Friday 25th August at the Naval Military and Airforce Club in Hutt Street. The dinner is for all serving or ex serving members of RAEME and full details including costs are provided in this newsletter. Please note that numbers are limited so if you hesitate you could miss out.

Keep well and I look forward to catching up with many of you at our functions.

Message from the Representative Colonel Commandant

Officers, Artificers and Craftsmen of
RAEME,

To mark the 75th Anniversary – the Diamond Jubilee of the Corps – planning is underway to celebrate the Corps' many achievements. This will include a range of commemorative activities culminating in a RAEME Gala Dinner, Parade and Plaque laying at the Australian War Memorial in early Dec 17.

There is much to celebrate given the Corps' success and technical excellence over the last 75 years in maintaining the Army's equipment and systems in a battleworthy condition since its creation in the crucible of the Desert War in North Africa in 1942. The Corps has served with distinction in every modern theatre of war and peace keeping operation since that date and members of the "Can Do" Corps continue to serve, delivering technical excellence in Army's many operation theatres abroad today.

The Corps has also had a key role in nation building in modern Australia by generating over 50 thousand engineers, artificers and tradesmen for Australian Industry. During these celebrations we should take pause to recognise that we stand on the shoulders of giants, the men and women of the Corps that went before us in creating the outstanding organisation RAEME is today. Many of these former members will be at the 75th celebrations and I urge the current and former members of the Corps to celebrate together our many achievements on the 75th Anniversary Diamond Jubilee.

Happy 75th Anniversary REME

**REME
75TH ANNIVERSARY
1942-2017**

While we are celebrating our 75th Anniversary we must also remember that our sister Corps in the British Army is doing the same except they are 2 months older than us (1st October).

The SA chapter of the REME Association have advised that they are holding a Commemorative Lunch on Sunday 1st October at the Elizabeth Tavern (Southern side of Elizabeth Shopping Centre) commencing at 12.00 noon precisely. They advise that the venue is providing a 2 for 1 Meal Deal and are inviting RAEME Members to join them for this important occasion. If you wish to attend please advise Don Harvy (0412 021 411 or harvy@adam.com.au) by 18th September and he will advise our REME brothers of numbers attending.

Change of President for the RAEME National Association

As we have been reporting in the Newsletter for the last 12 months, initially Phil Coppin and then our President MAJ Richard Moyses have been holding down the position of **President of the RAEME National Association** during 2015-2017. MAJ Moyses has been ably assisted by our Secretary Don Harvy.

The interim constitution specifies that the presidency rotates annual between State Associations and it is now time to “pass the baton” and the role is being taken over by members of the Victorian Association.

MAJ Moyses has written an **Outgoing President's Report** which is shown below for your information.

RAEME NATIONAL ASSOCIATION REPORT – CHANGES AT THE TOP.

The purpose of this report is to provide advice on the progress of handing over my responsibilities, as the President of the RAEME National Association (RNA), to the incoming President, Dennis Clarke. I also want to provide readers with a general report on the activities of the RNA. Dennis Clarke of RAV, and the Victorian Vietnams Veterans Chapter, will take over my responsibilities as President in April 2017. He is also the current Vice President of RNA.

Firstly, may I highlight the ongoing work of Ray Norman, and his helpers, in managing the Spanner Pack Program – their work is first class and their results are the envy of other Corps. I am sure all Corps Committee Members have seen the letters of thanks from deployed RAEME soldiers and officers expressing their gratitude.

Secondly, on the technology front, the RNA is extremely fortunate to have a loyal band of webmasters, including Richard Legge, Alex Smithers, Dean Ellis, Pete Matthews, Craig Mahoney, Lyell Wedd and Pat Marley who make up the RAEME National Support Team (RNST). These guys put in an extraordinary amount of personal time to enhancing, maintaining and protecting the RNA website, along with supporting the state organisations with websites and internal processes. They are also key to the ongoing growth with the RAEME social network.

Thirdly, another major milestone was recently realised, when the ‘members view of RAEME Corps History’ on the RNA website was opened in late October. This site allows RAEME stories, information and photos to be uploaded by individuals, who wish to share important historical aspects related to the Corps. There are numerous checks in place to ensure content is appropriate, and suitable for publishing, but also doesn't compromise security. It is important to note the site is not intended to be a repository for official Corps history archives. It is possible some articles submitted for, but not used in ‘With Skill and Fighting’, may appear on the site, but that would be up to the HOC.

Finally, in regard to an RNA Newsletter, Lyell Wedd has been hard at work patiently designing an agreed template for the newsletter. The newsletter content will be made up of reports from committee, articles from state organisations and general information and is now almost compiled and ready for publication of the first edition.

While in the role of President, I have been fortunate to have the support of all state representatives together with that of RNA Committee Secretary Don Harvy, and Treasurer CAPT Justin Pape. I would also like to thank Colonel David Cocker, COL COMDT SA/NT/WA, for his advice and wise counsel on numerous occasions this year. May I introduce the new Committee:

President	Dennis Clarke
Secretary	Alan Rogers
Treasurer	Aranka Illia
Vice President	TBA

Committee Members

RAACT	Larry Foley
RANQ	Gus Angus
RANT	Kevin Forster
RAQ	Jeff Maurice
RASA	Richard Moyes
RAT	Russell.Clarke
RAV	Mike Newbond
RAWA	Dale Whelan
RNSW	Brendan Robertson
HOC Rep	MAJ Perri Hobbs perri.hobbs@defence.gov.au

National Webmaster - Dean Ellis (Townsville)

In the immediate future, I see the RNA priorities being to settle in a new President and Executive, finalise the constitution, and raise the profile and awareness of the RNA, in the wider RAEME community. I am very confident the RNA is set up for success and represents the values expected within our Corps.

Richard Moyes
President

ANZAC DAY 2017 MARCH REPORT

Based on a verbal report provided by MAJ Moyses

I was away for ANZAC Day this year and no one I have spoken to has any pictures I can use. I will leave in a couple of general photos of our March banners for information.

If anyone can provide me with appropriate pictures I will include them in the next Newsletter.

The Adelaide ANZAC DAY March is the highlight of the year for a number of our veterans. The weather was kind this year with no rain. RAEME was reasonably well represented again this year but we can always do with more marchers. Our Association President MAJ Richard Moyses CSM proudly led the Association Group

RAEME VIETNAM VETERANS - GROUP 8

Their banner is becoming a true rallying point for all RAEME soldiers who served in Vietnam and hopefully numbers will continue to grow. We look forward each year to seeing it carried with the greatest of pride.

AEME/RAEME ASSOCIATION - GROUP 13

This year the numbers were pretty good with almost thirty RAEME "soldiers" proudly marching behind our leader and a real sense of camaraderie prevailed during the march.

The Torrens Parade Ground has for a number of years been the unofficial post march meeting place as it was convenient, at least for a quick drink/chat after the march.

This year the "Soldiers from the Hill" (Woodside) arranged a post march gathering at the Metropolitan Hotel and while the numbers were small this year they are looking for a much bigger attendance next year.

Details will be much more widely publicised next year and we will be asking all RAEME brethren to join us there.

The association committee would like to thank everyone who attended and represented RAEME during the march as it is important that the Corps is seen to be alive and well during this type of activity.

Things KIDS say

A primary school teacher asked her class, "What was Jesus' mother's name?"

One child answered, "Mary."

The teacher then asked, "Who knows what Jesus' father's name was?"

A little kid said, "Verge."

Confused, the teacher asked, "Where did you get that?"

The kid said, "Well, you know, they are always talking about Verge n' Mary."

Federation Star Members to Retire

In recent editions we have been highlighting the number of RAEME personnel who have achieved this great milestone.

Two of those recipients:

CAPT Wayne Birch

WO2 Grant Kuchel

are retiring at the end of this year. It is proposed to formally farewell them at the Corps Birthday Function on 3rd December this year as both have been long term members of the association and Grant was President for a number of years.

Both are currently posted to the Army Museum of South Australia and are utilising their valuable technical skills in managing the control and storage of various artefacts and advising on restoration/rendering of weapons and equipment plus a number of other specialist activities.

It is proposed that a summary of their civilian and military careers be included in the Sept edition of the Newsletter.

2017 RAEME ANZAC FUNCTION

A few faces you might recognise

The 2017 RAEME Mixed ANZAC Function, held on Saturday 22nd April, was a great success. It was again held in the Warradale Area Officers and Sergeants Mess. This venue has more space and better facilities than our previous location and will hopefully continue to be available for future activities.

We all enjoyed the usual excellent barbeque which included steak, sausages and chicken patties plus the large range of delicious salads. A big thanks to John Howard and Brian Homes who do such a good job with the cooking. Thanks also to all the rest of the support team including Don and Raelene Harvy and Marg and Mike Culley.

We were privileged to have our COLCOMDT COL David Cocker and his wife Robyn join us again for the evening. I am sure he enjoyed the function and meeting a number of people he had served with in SA and other places.

The traditional "Remembrance Ceremony" was kicked off by Grant Kuchel who took the time to put together a presentation which included a couple of appropriate Anzac related songs. This was followed up with our COLCOMDT, Colonel Cocker reciting The Ode, and then onto the Last Post and Rouse, followed by the national anthem to complete the ceremonial components of the night.

See anyone you know?

Corps Port - Update

This year's Corps Port is being produced by HOC Cell at Bandiana. They have advised that the advertising and the order sheet will be released shortly.

OLD MEN

An elderly man in Queensland had owned a large property for several years.

He had a dam in one of the lower paddocks where he had planted mango and avocado trees.

The dam had been fixed up for swimming when it was built and he also had some picnic tables placed there in the shade of the fruit trees.

One evening the old farmer decided to go down to the dam to look it over, as he hadn't been there for a while.

He grabbed a ten litre bucket to bring back some fruit.

As he neared the dam, he heard voices shouting and laughing with glee.

As he came closer he saw it was a bunch of young women skinny-dipping in his dam.

He made the women aware of his presence and they all went to the deep end.

One of the women shouted to him, "We're not coming out until you leave!"

The old man frowned, "I didn't come down here to watch you ladies swim naked or make you get out of the dam naked."

Holding the bucket up he said, "I'm here to feed the crocodile."

Moral: Old men may walk slow, but they can still think fast.

CAN YOU HELP A BOOK ABOUT RAEME

As part of the RAEME 75th Anniversary celebrations, Workshop Company 9 CSSB is creating a booklet of stories, anecdotes, articles, memorabilia and photos from members of the Corps.

Contributions on all RAEME is welcome and in particular South Australian information is sought to provide a local timeline.

The success of this initiative relies on contributions from all of us so think back, dig up the old photos and send them in.

All information and enquiries can be directed to LT Kynan Lang; Kynan.Lang@defence.gov.au

Competition

After digging to a depth of 100 meters last year, Russian scientists found traces of copper wire dating back 1000 years, and came to the conclusion that their ancestors already had a telephone network one thousand years ago.

So, not to be outdone, In the weeks that followed, American scientists dug 200 meters and headlines in the US papers read: "US scientists have found traces of 2000 year old optical fibres, and have concluded that their ancestors already had advanced high-tech digital telephone 1000 years earlier than the Russians."

One week later, the Irish newspapers reported the following: "After digging as deep as 800 meters, Irish scientists have found absolutely nothing. They have concluded that 5000 years ago, their ancestors were already using wireless technology."

Counselling

The husband and wife go to a counsellor after 15 years of marriage.

The counsellor asks them what the problem is and the wife goes into a tirade listing every problem they have ever had in the 15 years they've been married. She goes on and on and on.

Finally, the counsellor gets up, goes around the desk, embraces the woman and kisses her passionately. The woman shuts up and sits quietly in a daze.

The counsellor turns to the husband and says "That is what your wife needs at least three times a week. Can you do that?"

The husband thinks for a moment and replies, "Well, I can drop her off here on Mondays and Wednesdays, but I can't on Fridays, I golf."
