PRESIDENT'S REPORT

I trust this newsletter finds you all well and I hope avoiding the terrible flu that is going around and taking its toll on those who get it. I know many work colleagues and friends who have been struck down and have been bedridden for a good week or so. Hopefully we are getting to the warmer weather and less chance of getting crook. I am also aware of many who have, or are about to return home after spending a few months in the warmer climates up north. Well done to those people.

Well since last report we have held our South Australian Dinner celebrating our Corps 75th Birthday. This dinner was a great night and everyone in attendance had a wonderful time. It is important to thank our Head of Corps for the contribution in the form of a grant to assist in subsidising the cost of the dinner. This was greatly appreciated and made it possible for more people to attend. There are more details and photos of the night within this newsletter.

Our local dinner is only one of many being held across Australia this year and the major activity is being held on our Birthday, 1 December at the Australian War Memorial. Once again details on this major event are in this Newsletter (see the COLCOMDTs Message).

Our next activity is our AGM followed by the annual BBQ for the Corps Birthday. This is being held on Sunday 3rd December at the Warradale Area Officers and Sgts Mess.

AGM details will be distributed shortly.

I look forward to catching up at the next activity.

Message from our Colonel Commandant

COL David Cocker

I would like to ask all RAEME members to consider attending our 75th Parade and Dinner at the Australian War Memorial on 1st Dec 2017.

"RAEME are celebrating 75 years of Army Maintenance with a Parade and a Dinner on 1st December 2017 at the Australian War Memorial. The parade on the forecourt of the AWM will be conducted by ASEME, RAMS and 6 AVN REGT and is open to all who wish to attend.

The dinner will be held within ANZAC Hall. Get a bunch of RAEME brethren together and share a table. Ticket prices are still TBA, but will be less than \$150pp. People or groups wishing to attend are to RSVP to MAJ Steve Howells stephen.howells@defence.gov.au, or to RAEME.HOCCell@defence.gov.au

Reflecting on the past to maintain the future".

Passed away 18 July 2017
(See article below)

42490 SGT John Charles CORKRAN

Prior to his death, John had been a resident at the War Veterans Home, Myrtle Bank (since 2004), he loved to chat and was always talking about RAEME and his military service. He even asked the CEO Nathan Klinge if he would talk about his RAEME service at his funeral (nothing like being prepared).

He was proud of his 5 children, 10 grandchildren and 13 great grandchildren. He formed new friendships easily and was involved in the Vietnam Veterans Social Group at the WWH which met every Wednesday. He was an avid Crows and Sturt supporter and regularly went to the games

John came from a military family (5 generations including him). He started his service early undertaking his Vehicle Mechanics training at the Army Apprentice School, Balcolme (7th Intake) in the early 1950s.

He spent 20 years in the army reaching the rank of Sergeant and served in Borneo during the confrontation, then Vietnam with the 1st Armoured Regiment LAD at Nui Dat and later at various workshops including Central Command Workshops,

John was a long-term member of the AEME/RAEME Association and was a very active member of the original AEME/RAEME Fort Largs naval defence guns work party. He was also a regular attendee at the Association functions.

Interstate deaths to be updated in Feb/Mar Edition:

Memories of Sgt Bill Temby

In 1961/62, I had my first contact with William J Temby. We had just joined the CMF (now the ARes) and were doing our Recruit Training. We had many Instructors, but Bill was the most memorable and most respected. At the tender age of 19, I knew nothing about the Army and my first mistake was to address Bill

as "Sir", he barked at me, I AM NOT A SIR, I AM A CPL, and he added – "at least this week" or you can call me Bill. This Recruit training was conducted at Jane St Kilkenny which was then the base for 107 Infantry Workshops RAEME. On Tuesday evenings, we Recruits would receive Military training for the 3 hours that we were required to attend. When Bill was in charge of us, this training consisted of forming up into a drill squad and Bill would march us off the Parade Ground and into the darkest corner of the Depot, where he would fall us out of the squad formation, and tell us stories to while the time away until it was time to knock off and head to the Diggers Boozer. I did not learn a lot about the Military, but I did learn how to avoid being caught doing nothing by the Company Sergeant Major Peter Badcock.

Circa 1964, having now become a VM CFN, with Bill still a Cpl Recovery Mech, we were fortunate to be chosen, amongst others (Sgt Maslen, Sgt Pepper etc) to attend RAEME Trg Centre at Bandiana and for Bill, a Recovery Mech's Course which included the Centurion Armoured Recovery Vehicle (ARV) and for me, Armoured Vehicle VM's Cse, which included the Ferret Scout car, Saladin and Saracen. What an experience, to Melbourne overnight on the Melbourne Express, a day in Melbourne and then the Southern Aurora Train to Albury, arriving at midnight. Arriving in Melbourne around 0900hrs, we had a whole day to kill before catching the Sothern Aurora to Albury. Well, you might ask, how are 6 Army people going to fill in 7 hours in a big city like Melbourne? Rob Maslen, being the most travelled amongst us, said that right across the road from the train station is the Young & Jackson Hotel, where hangs a very famous painting of Chloe, a Parisienne beauty painted by French artist Jules Joseph Lefebvre and that to enhance our knowledge and appreciation of great art, we should visit the pub to check it out. Both courses ran very well and we all learned heaps which stood us all in good stead for our Military careers. Bill in particular, as he was responsible for blowing up the transmission in the Centurion ARV, which caused some distress at RTC as the course was out in the boonies and RTC only had one Centurion ARV and therefore returning the broken ARV back to base was going to be a problem. It was still a problem when we left RTC at course end !!

On one weekend exercise Bill was driving the Diamond T Wrecker following the Workshop convoy out of Jane St Kilkenny, along Port Road and then down Rosetta St under the train overpass.

Unfortunately, the twin booms on the wrecker were just that little bit too high and the wrecker became lodged under the overpass. Not to worry, Bill lowered the booms whilst the traffic banked up and finally got the wrecker free. After moving the wrecker out of the way, and examination of the booms found that they were somewhat bent and would have to be replaced. Another exercise in paper warfare that Bill was not pleased about. I am not sure that this did not end up in another demotion for Bill !!

As time marched on and back in reality in Adelaide, and with all this new-found knowledge under our belt, both Bill and I were posted to 3/9 SAMR LAD to put all our knowledge and experience into practice looking after all the Ferrets and Saracens that the Regt had. By this time (at least that month) Bill had been promoted to Sgt and I was a never before raced WO2, with my crown stitching brand new. Our LAD 2IC at the time, WO2 Peter Badcock tasked Bill to go and round up some angle iron for an urgent job during an Exercise at Blanche Harbour (opposite side of the gulf to Pt Disgusted). Bill duly returned with a complete windmill hanging off the boom of the Diamond T Wrecker and wanted to know if there was enough angle iron for the job? I often wondered if the local cocky ever missed his relocated windmill?

On one of the Regt's numerous weekend exercises, B Sqn was conducting a driver's course out of Blanchetown, with the LAD along to pick up the pieces. A Saracen went un-serviceable and had to be towed back to the Gawler Depot – Bill's department. The tow behind the Diamond T went very well up until Bill was turning into the gates of the Gawler depot, when the weight of the Saracen took control and steered the Diamond T straight into the right-hand gate and bent it into a configuration that caused it to become un-usable. This obviously caused some discussion and more paperwork.

WO1 Don Morgan was the 3/9 LAD QMS at the time and had a desire to drive the Diamond T whilst we were deployed at a camp along the Point Lowly Rd. We had had considerable rain which made the dirt roads nearly impassable, so Bill decided he would turn the front wheels on the wrecker into duals. The Diamond T did not have power steering and at best, was a beast to steer and with duals on the front, it became nigh on impossible. Well, Don, being a WO1, who out ranked us all, decided that he still wanted to take a drive, despite all the warnings that Bill provided. Bill made sure he took him off road across the most uneven bit of Australia that he could find and then just watched as Don Morgan went round and round with the steering wheel, totally out of control – This little exercise cost Don Morgan many drinks and people still used to ask Don, "ever lose control of a Diamond T?"

Bill, we all have fond memories of you and our Military experience was only made so much more rewarding from having served with you.

By MAJ John Schulz (RTD) *Many thanks Ed.*

IT'S OUR **75th** BIRTHDAY

2017 ANNUAL GENERAL MEETING

Well its that time of year again, the 2017 Annual General Meeting will be held on the morning of Sunday 3rd December in the Offrs and Sgt's Mess at Warradale Barracks starting at 10:00am sharp! The meeting will finish in time for the Birthday Function BBQ Lunch

Details of the AGM will be confirmed in the Notice of AGM to be sent out shortly.

Attending the AGM does not mean that you will automatically find yourself on the committee. Most of the current committee members have indicated that they are willing to stand again, but new committee members are always welcome

Our President MAJ Richard Moyses has advised that he will be standing for president again.

Committee meetings are held bi-monthly at Warradale Barracks, currently on the 3rd Thursday of the month at 6:00pm (the date/time is subject to the agreement of the Committee members who are elected). The meetings are of a relaxed, informal nature and quite enjoyable.

Remember, the committee represents YOU and the AGM is your opportunity to raise anything you would like to see the Association do or stop doing, the committee welcomes new ideas and we are always looking for better ways to do things.

President and Committee

RAEME **75th BIRTHDAY FUNCTION**

The Association Committee, is organising a mixed all ranks family function to celebrate the 75th Anniversary of the creation of the Corps of RAEME (1st December 1942). The activity will be held in the Warradale Area Officers and Sergeant's Mess at Warradale Barracks on the afternoon of Sunday 3rd December. Entry to Warradale Barracks is via the Main Gate on Oaklands Road.

The function will commence after the AEME / RAEME Association AGM and a BBQ Lunch will be available from 12:30pm. Cost will be \$10 per head for adults (children 12 years and under are FREE). Refreshments will be available from the Bar at mess prices. The 2017 Central Region "RAEME Soldier of the Year" Awards (sponsored by our Association) will be presented at this function. It is also intended to farewell 2 SPECIAL ARes members on the day (see Page 6) and the function will conclude at about 4:00pm.

This activity is for all serving and ex-serving RAEME members, their family and friends. Please tell all non Association RAEME personnel you know it is on and invite them to join us. It is a great opportunity to renew old acquaintances and reminisce over a drink or two.

An Invitation is included with this Newsletter. Please return the "tear off" slip to our secretary Don Harvy or ring him **before Friday 24th November** so he can advise the Function Committee how many to cater for.

REMINDER

2 RAEME Federation Star Members are Retiring

Two of our Federation Star recipients:

CAPT Wayne Birch

WO2 Grant Kuchel

are retiring at the end of this year. It is planned to formally farewell them at the Corps Birthday Function on 3rd December as both have been long term members of the association and Grant was President for a number of years.

Both are currently posted to the Army Museum of South Australia and are utilising their valuable technical skills in managing the control and storage of various artefacts and advising on restoration/rendering of weapons and equipment plus a number of other specialist activities.

If you know or have served with either of them we would like you to make a special effort to be there on the day to help them celebrate.

CAN YOU HELP A BOOK ABOUT RAEME

As part of the RAEME 75th Anniversary celebrations, Workshop Company 9 CSSB is creating a booklet of stories, anecdotes, articles, memorabilia and photos from members of the Corps.

Contributions on all RAEME is welcome and in particular South Australian information is sought to provide a local timeline.

The success of this initiative relies on contributions from all of us so think back, dig up the old photos and send them in.

RAEME 75th Anniversary Dinner

Friday 25th August was the date chosen to celebrate our 75th Anniversary with an all ranks dinner held at the Naval Military and Airforce Club in the city. This is a lovely venue and ideal for this type of event where a level of formality is appropriate and the surroundings and service compliment the occasion. We were not disappointed.

Fifty-two guests attended and everyone had a great time catching up and sharing stories and as always reacquainting with old friends.

As always, the stories came out, WO1 (RTD) Chris Duffield reminded Colonel Cocker that he had promoted Chris to LCPL in 19 something. Trevor Parrot and Roger Burzacott talked about their days together as Cadets while Bob Killoran and Bob Davis shared yarns on their time in Vietnam as young RAEME soldiers.

It was great to have a mixture of the old, retired, and still serving both young and old.

Colonel Cocker provided a short speech on the current issues RAEME is addressing and Major Rogers gave a brief overview of Corps history. After the dinner we all moved in to the bar area where the conversations continued (into the next day for some) and the stories became grander!

The Anniversary Dinner was a wonderful night and certainly an enjoyable and fun event for all who were able to attend.

Thanks to MAJ Moyes for the story and photos. Ed.

**REME
75TH ANNIVERSARY
1942-2017**

Happy 75th Anniversary REME

While we are celebrating our 75th Anniversary we must also remember that our sister Corps in the British Army has done the same thing except theirs was 2 months earlier (1st October).

The SA chapter of the REME Association held a Commemorative Lunch on Sunday 1st October at the Elizabeth Tavern. Our members were invited and we had 4 representatives at the function.

The REME members regularly join us for some of our activities each year, particularly our Corps Birthday activity in December and they assure us they will be there again this year. .

As with our Corps Birthdays their day was celebrating a great milestone and everyone had a great time. Their President Alan Weeks had everything organised (as usual) with his stories and jokes to keep everyone amused and the day ran like clockwork. The Elizabeth Tavern has become their regular meeting place with a separate room they can close off for their meetings. A good arrangement for them and the tavern.

The Birthday cake was made and decorated by one of the ladies and it was delicious. Someone said it was a "labour of love". Well done to all.

Golf - The Gentleman's Game

There was a man named George who got a new job. His fellow employees always met for a round of golf every Saturday. They asked George to meet them at 10:00 Saturday morning. George replied that he would love to meet them, but he may be 6 minutes late.

On Saturday morning George was there at exactly 10:00. He golfed right handed and won the round. Following Saturday rolls around, and George says that he will be there, but he may be 6 minutes late again. He shows up right on time, golf's left handed, and wins the round.

This continues for the next few weeks, with George always saying that he may be 6 minutes late, and then always winning the round golfing, either left or right handed. The other employees are getting tired of this and decided to ask him what the deal was.

They said, "George, every Saturday you say you may be six minutes late. You never are. Then you show up and golf either right handed or left handed and always win. What is up with that?"

George replies, "Well, I am a very superstitious kind of guy. Every Saturday when I wake up, I look over at my wife. If she is sleeping on her left side, I golf left handed. If she is sleeping on her right side, I golf right handed."

"Well," one of the employees questioned, "What happens if she is laying on her back?"

George replies, **"Then I am 6 minutes late."**
