ARMY MUSEUM of SA

Have you been to see the Army Museum lately

LOTS OF GREAT NEW INTERACTIVE DISPLAYS

They have recently installed a large painting reflecting RAEME's role in maintaining equipment in the field. The painting was done by local artist Brian Budgen and was **funded by a donation from the AEME/RAEME Association.**

The painting will be officially opened at an informal ceremony involving all RAEME and other museum volunteers at 9.30am on Wednesday 17th October and all our RAEME brethren are welcome to join them for the opening. This will be followed by coffee and nibbles in the OR's Mess with the other volunteers.

We look forward to as many RAEME people as possible joining us for the opening. A free tour of the museum will be available for those who haven't been to the museum recently.

PRESIDENT'S REPORT

Hi Everyone,

I trust this finds you all in good health and looking forward to the warmer weather that has begun to show itself.

Since last newsletter there have been a few events of significance that I will mention. On Friday 27th July, 1 CSSB hosted a Spanner Club afternoon at Edinburgh. It was an excellent event with a fantastic turnout of RAEME members and many others who probably wished they were RAEME.

There was a large range of the latest vehicle fleet, both A and B vehicles on show and there were plenty of the current users on hand to talk about the complexities and capabilities of the current equipment.

The event was further enhanced by the attendance of numerous businesses and organisations that had set up displays and stalls showcasing their products and services.

To keep everyone occupied a few competitions such as vehicle tug of war race and exercise bike challenge were conducted, and the usual rivalries and banter came to the forefront. And of course, there was a great BBQ and some drinks on offer.

From an Association perspective I was very grateful that Honorary Colonel SA/WA/NT, Colonel David Cocker was in attendance and able to present a very overdue Soldier of the Year Award to CFN Matthew Conroy. Colonel Cocker also promoted CFN James Hall to LCPL. Congratulations to both these members on their achievements.

Congratulations and thank you to all those involved in the planning and conduct of the event. The next one is being planned and sounds bigger and better already.

The Association annual All Ranks Dinner was held on Friday 17th August and like previous years it was a great night. Just under 40 people attended the function held at the Naval Military Club and as always, this venue proved to be very popular and ideal for the dinner.

Don Harvy provided numerous items from his museum that added to the feel of the dining room and provided many reasons for people to reminisce and swap stories on some of the items displayed. While the night was conducted as a formal but appropriately casual dinner, the traditional speeches and toasts were conducted accompanied by some very nice port, and water of course.

After the dinner there was plenty of time to gather in the bar area and talk more while enjoying the cheese platters and drinks. As with previous years those who stayed late were asked by the bar staff to "please lock the door when you leave". Some things never change!

Readers of the newsletter may be aware of CFN Douglas Borlace who was killed in action in July 1968 while serving in South Vietnam. Doug was the first RAEME member to die in Vietnam and his sacrifice has been acknowledged and remembered with the naming of the Gallipoli Barracks ORS Mess being named after him. Doug is buried in the Stirling Cemetery in the Adelaide Hills and in 2004 the Association installed and dedicated a small plaque on the gravesite. As this year is the fiftieth anniversary of Doug's death, the committee agreed it would be appropriate to recognise this and also look at ways to further acknowledge Doug and his service.

Thanks to a lot of effort by Geoff Parker, Bob Killoran and Mike Cully we have managed to get in principle agreement between the Association, Adelaide Hills Council and the family of Doug Borlace to refurbish the existing plaque and have an interpretive sign board built and erected at the gravesite. To fund this body of work we applied for a financial grant through the Centenary of ANZAC program ran by the South Australian Government.

In breaking news, we have been advised our application has been successful so we can now commence the processes of having the work done. We will keep everyone informed on the progress and importantly we will be arranging a suitable date and time to hold an appropriate ceremony when the work is completed.

Over the past few years the association has managed to build and now maintain a good financial position largely due to the funds raised by running the BBQs at Bunnings when they are offered to us. On Friday 21st Sept the Association ran the BBQ at the Noarlunga Bunnings. Thanks to the those who managed to make it on the day and contribute to what was quite a good result for the bank balance. Any time we can run these BBQs we try to advertise the date so as many people as possible are aware and may be able to assist, so please keep in mind that even helping for 2 or 3 hours makes a huge contribution on the day.

The next activity for the Association is our AGM followed by our annual Birthday BBQ. Full details will be advertised so please put Saturday 1 December in the diary and hopefully we will see a good number attend. Till next time

RAEME CORPS CONFERENCE 2018

The RAEME Corps Conference will be held from Tue 23 to Wed 24 Oct 18 at Randwick Barracks, Sydney.

In a break with previous Corps Conferences, there will be no Working Groups conducted during the Conference. Rather, Topic Leaders will coordinate the work of RAEME personnel on select topics throughout the year, producing a discussion paper for review prior to presentation at the Conference. Conference attendees will be required to discuss the recommendations of the Corps topics and then reach a decision on the best Course of Action.

The decisions of the Corps Conference will then form official Corps opinion on the topics, with the result briefed to the Chief of Army, and a succinct list of Corps topic talking/briefing points for all personnel.

A [Sharepoint page](#) has been setup to manage the contributions of personnel to the topics. If you wish to contribute, please either post in the topic forums, or contact the topic leader and volunteer. It is expected that supervisors should be able to use these topics for Professional Development of themselves and their personnel.

The following are the Corps Conference themes and selected topics, and the Topic Leaders:

The future of the technical trades

- Topic One: [How can the Corps improve the current methodology for reviewing Employment Categories in a rapidly evolving technological environment?](#) – MAJ Troy Hollis
- Topic Two: [How will Army maintain the rapidly proliferating systems of systems?](#) – CAPT Eamon McGinniss
- Topic Three: [How will Army conduct Battle Damage Assessment with an ever-increasing use of contractors and OEM?](#) – MAJ Chris Dent

Corps Command Leadership and Management

- Topic Four: [How could the RAEME officer and technical training \(LOBC/ROTC/Sub 4 suite of courses\) better support the continued intellectual development of the officer and artificer?](#) – CAPT Andrew Barker
- Topic Five: [How could the Corps provide sound technical advice for each trade?](#) – MAJ Perri Hobbs
- Topic Six: [What is the career development progression for soldiers pursuing the Regimental Pathway?](#) – WO1 Richard Colefax

Corps Diversity

- Topic Seven: [What measures can the Corps implement or assist with to increase the diversity of personnel in the Corps?](#) – MAJ Timothy Hawley

PLEASE NOTE

Change of Date and Location For the 2018 AGM and RAEME Birthday Function

For logistical reasons we have moved all our Association functions away from Warradale Barracks to the **Plympton Glenelg RSL**. This has given us the opportunity vary timings and activity format. The RSL's address is 464 Marion Road, Plympton Park. There is some parking on-site, but otherwise street parking is required.

Because of this the committee have elected to hold our Corps Birthday Function on the actual RAEME Corps Birthday **Saturday 1st December** and the decision was also made to continue with the tradition of holding our Association AGM prior to the Birthday Function to ensure maximum attendance.

Timings will be as follows:

AGM	1600hrs
Birthday Function Starts	1800hrs
Meal served	1900hrs (approx.)
Wind-up	2330hrs

We are looking for a great attendance this year.

The RSL is very easy to find:

Travelling South on Marion Road from ANZAC Highway, cross the tram line and Cross Road then you will find it on the Right-Hand side of the road on the corner of the first street after Cross Road (Peckham Road)

MORE DETAILS ON THE NEXT PAGE

The 2018 AGM is not far away

SATURDAY 1st December 2018 at 4.00pm

**Note: It is now on a DIFFERENT Day, Different Location and Time
it is now SATURDAY AFTERNOON at 4.00pm**

**This is your chance to have a say about how
the association is run and
make suggestions of other things we can do**

Details of the AGM will be confirmed in the Notice of AGM to be sent out shortly.

Attending the AGM does not mean that you will automatically find yourself on the committee. Most of the current committee members have indicated that they are willing to stand again, but new committee members are always welcome

Our President MAJ Richard Moyses has advised that he will be standing for president again.

Committee meetings are held Bi-monthly at Plympton Glenelg RSL, currently on the 3rd Wednesday of the month at 6:00pm (the date/time is subject to the agreement of the Committee members who are elected). The meetings are of a relaxed, informal nature and quite enjoyable.

Remember, the committee represents YOU and the AGM is your opportunity to raise anything you would like to see the Association do or stop doing, the committee welcomes new ideas and we are always looking for better ways to do things.

RAEME **76th BIRTHDAY FUNCTION**

The Association Committee is organising a mixed all ranks family function to celebrate the 76th Anniversary of the creation of the Corps of RAEME (1st December 1942). The activity will be held in the **Plympton Glenelg RSL** in the evening of Saturday 1st December.

The function will commence after the AEME / RAEME Association AGM and a BBQ meal will be available from 1900hrs. Cost will be \$10 per head for adults (children 12 years and under are FREE). Refreshments will be available from the Bar at reasonable prices. The 2018 Central Region "RAEME Soldier of the Year" Awards (sponsored by our Association) will be presented at this function. The function will conclude at about 2330hrs.

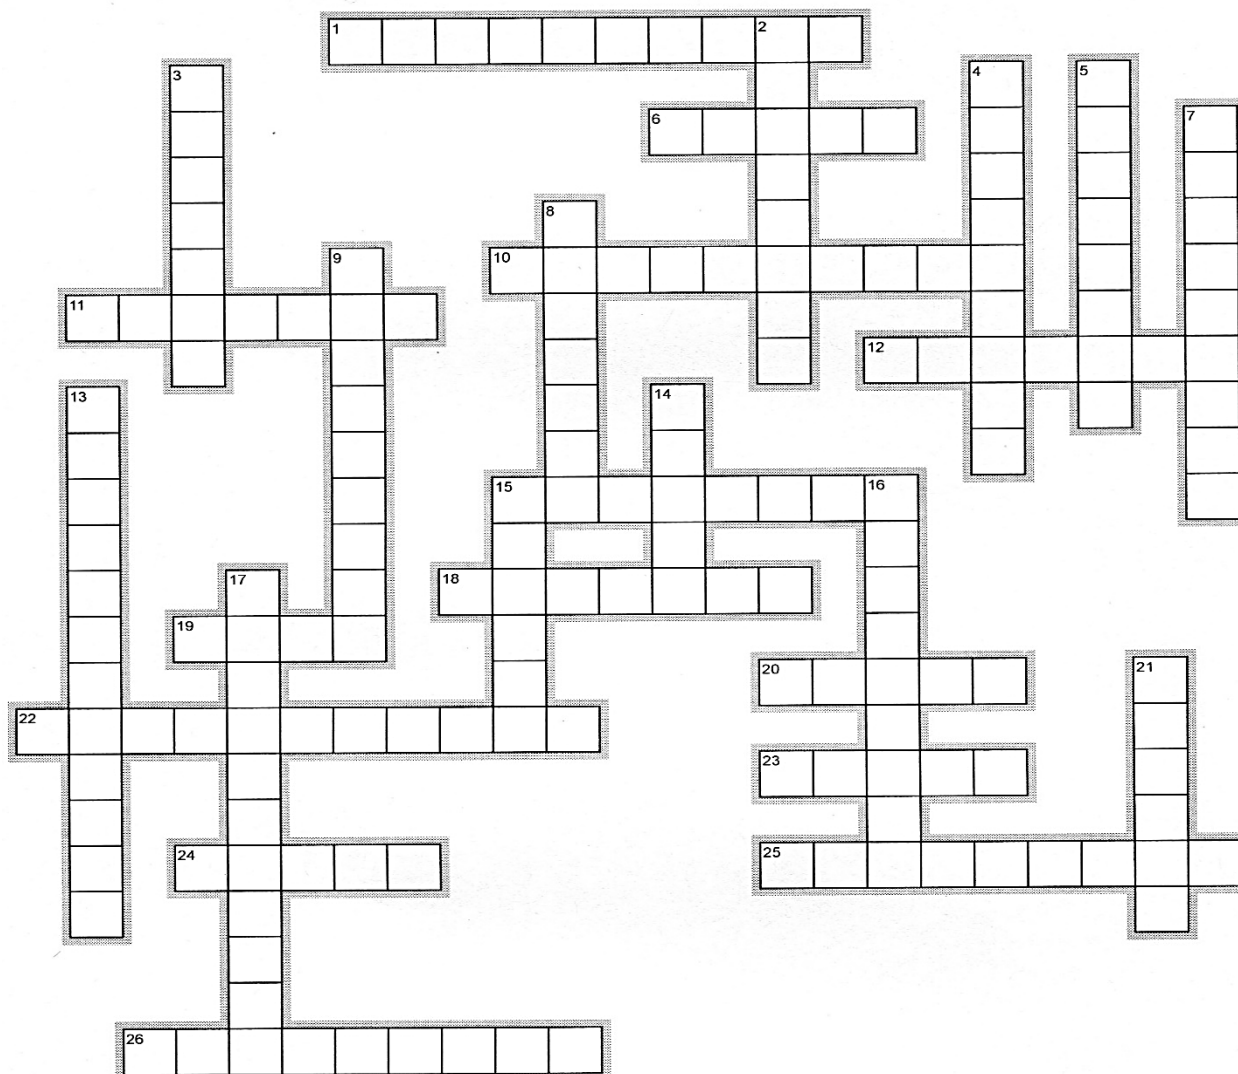

This activity is for all serving and ex-serving RAEME members, their family and friends. Please tell all non Association RAEME personnel you know it is on and invite them to join us. It is a great opportunity to renew old acquaintances and reminisce over a drink or two.

An Invitation is included with this Newsletter. Please return the "tear off" slip to our secretary Don Harvy or ring him before Friday 23rd November so he can advise the Function Committee how many to cater for.

Central Region RAEME 76th Corps Dinner

What a great night.

Almost 40 guests attended an All Ranks Corps Dinner held at the Naval Military and Airforce Club in the city, and everyone had a great time catching up and sharing stories and as always reacquainting with old friends.

Friday 17th August was the date chosen to Hold our Annual Corps Dinner. This is a lovely venue and ideal for this type of event where a level of formality is appropriate, and the surroundings and service compliment the occasion. We were not disappointed.

Unofficial Head Table

Members and Guests you may recognise

Our Secretary Don Harvy and his wife Raylene

Colonel Cocker provided a short speech on the current issues RAEME is addressing and presented the AEME/RAEME Association of SA newest Life Members with a RAEME Commemorative Coin to celebrate this important occasion.

More members and guests you might recognise

The Corps Dinner is an annual event and we hope to see more people attending next year.

REME are celebrating again

We have had a long association with our REME brethren and as a group they attend a lot of our functions and some of our committee attend their functions. It is great to have such a positive relationship between two like organisations.

Last year the SA chapter of the REME Association held a Commemorative Lunch on Sunday 1st October at the Elizabeth Tavern. Our members were invited, we had a number of representatives at the function and a great time was had by all.

Nothing is what it seems

A young couple wanted to join the church, the pastor told them, 'We have a special requirement for new member couples. You must abstain from sex for one whole month.' The couple agreed, but after two-and-a-half weeks returned to the Church.

When the Pastor ushered them into his office, the wife was crying, and the husband was obviously very depressed. 'You are back so soon... Is there a problem?' the pastor inquired. 'We are terribly ashamed to admit that we did not manage to abstain from sex for the required month.' The young man replied sadly.

The pastor asked him what happened.

'Well, the first week was difficult... However, we managed to abstain through sheer willpower.

The second week was terrible, but with the use of prayer, we managed to abstain.

However, the third week was unbearable. We tried cold showers, Prayer, reading from the Bible...anything to keep our minds off Carnal Thoughts.

One afternoon my wife reached for a can of paint and dropped it. When she bent over to pick it up, I was overcome with lust and I just had my way with her right then and there. It was lustful, loud, passionate sex. It lasted for over an hour and when we were done we were both drenched in sweat,' admitted the man, shamefacedly.

The pastor lowered his head and said sternly, 'You understand this means you will not be welcome in our church.'

'We know.' said the young man, hanging his head, 'We're not welcome at Bunnings either.'
