Our President decided that last year's "ANZAC DAY 2023 IN REVIEW" was so well received that he thought we should do it again this year. I have received some great photos and thank all those who sent them in and hope it continues for all photographs taken at any of our activities.

Report from Ray Ryan

This article is to advise our readers that there are still RAEME members who served in Vietnam and continue to march so there might be a few names and faces you know.

At our form up place, on the corner of North Terrace and Pulteney St, Group 5 members started to arrive slowly and at 0930hrs only 2 members were present, by 0945hrs 4 members had arrived and by the time we moved off at 1000hrs we had a total of 7 RAEME members present.

Ray Ryan was “volunteered” to lead this bunch of fine gentlemen, (as usual he was too slow moving back.)

The photo below shows everyone who marched. Looking from the left to right. Aldo Zulian, Don Fragnico, Peter Andrew, Terry Buick, Tony Hilton, John Clark (President of the Enfield RSA). Still at the back was, you guessed it, Ray Ryan, the only one who still remembers it is “eyes right” at the saluting flag.

Thanks Ray - Ed

AN ODE TO THE BROTHERS

The translation of some of the opening chapters of Genesis as recently discovered in the possession of the noble sect called
“THE BROTHERHOOD OF ST ELIGIUS”

In the beginning, there was chaos and the chaos was Infantry, for the Infantry was alone.

*And fear was with the Infantry and they cried unto the Lord saying,
“Lord save us for we are afraid”.*

And the Lord heard their grunts and set some of the Infantry on beasts of burden and these he called Cavalry, and the Cavalry became Armour.

*And when the Lord had seen what he had done he laughed saying,
“Well you can’t win them all”.*

*The Infantry and the Armour again cried out to the Lord saying,
“Lord save us for we have nothing that works”,
and the Lord heard their cries and decided to end their weeping.*

*And the Lord said unto them “Hey dudes, lo I send you a race of men noble in heart
and spirit and technical knowledge to fix your toys”.
And the Lord created “THE BROTHERHOOD”*

*And to atone for such goodness and to test the spirit of
“THE BROTHERHOOD”, The Lord created the Gunners.*

*And the Lord gave unto the Gunners, rockets and missiles and worst of all Nukes.
And when the Infantry saw this they fell to their knees in sheer terror saying “Surely
God is not on our side, BROTHERHOOD help us !!!”.*

And the Lord sayeth “SHIT what have I done”.

*Now abideth the Infantry, Armour and Artillery, the greatest of all is and always
will be, RAEME, “THE BROTHERHOOD” HALLELUJAH*
