### MESSAGE FROM THE PRESIDENT

With mad March nearly over and daylight saving coming to an end I hope this newsletter finds everyone in good health and cheer. Even the Power and Crows both won.

I would like to take this opportunity to once again ask members who know of anyone on the sick list to let us know and if possible even visit the member if time permits.

Members are reminded of the upcoming ANZAC Re-Union to be held on Saturday evening 18 Apr 09 at the Warradale Area Other Ranks Canteen. It's a great opportunity for members both past and present with family and friends to meet and enjoy an evening together whilst remembering the past deeds and sacrifices made by many. Hope to see you there.

Lastly, best wishes to all who participate in the ANZAC Day march and services this year.

Grant Kuchel

## Current Recruiting Practices

To make things a little simpler the ADF is conducting a new test to determine the service and employment category potential recruits are best suited to.....!!!

The test is described below:

- Put about 100 Bricks in no particular order in a closed room with an open window. Send 2 - 3 candidates into the room and close the door. Leave them alone and come back in 6 hours to analyse the situation.
- If they stack and count the bricks by size and colour: Assign to Ordnance Corps
- If they recount the bricks: Assign to Pay Corps
- If they've done nothing useful except make a huge mess with the bricks: Assign to Engineers
- If they make the bricks into a wall and insist on knocking it over with their heads: Assign to Infantry (without delay)
- If they insist on eating the bricks with the belief of hardening up: Assign to Armour
- If any bricks are broken and one candidate dubs them in: Assign him to MP's and the others to Infantry
- If the candidates are throwing bricks in no particular direction: Assign to Artillery
- If they've gone to sleep having already knocked off for the day: Assign to the RAAF
- If they're staring out the window: Assign to Navy
- Finally, if they are sitting around talking to each other and no bricks have moved...send them to Duntroon.

# The ANZAC Commemorative March

## Saturday 25 April commencing at 9:30am.

Due to the unavailability of our President WO2 Grant Kuchel, the AEME/RAEME contingent will be lead this year by our Patron COL Greg Rosser. There is no change from last years starting area. (Remember there was a major reshuffle of starting points for units last year and our starting point has been moved forward by a few metres.)

Any ANZAC Day March queries should be directed to our Unit Guides, Dutchy Holland on phone (08) 8294 4401, John Howard on phone (08) 8447 7681 or Bob Killoran on phone (08) 8270 2222.

The Assembly Point for Group 6 is almost the same as last year, ie the eastern side of Pulteney Street but with the head between North Terrace and Rundle Street (see map on page 12).

The route is also the same as last year, north along Pulteney Street, west along North Terrace, north along King William Road and right into Sir Edwin Smith Avenue to the dispersal area in Pennington Gardens.

Salutes (the Association Banner is to be lowered on the "eyes right") are to be paid at the National War Memorial and the South African War Memorial on North Terrace, and the Official Dais on the eastern side of King William Road near the Parade Ground at Torrens Training Depot.

Vehicles will be available for WWII veterans who can no longer make the distance.

**Please let Don Harvy know (08) 8387 6169, mobile (0403 996 224) or email (harvyfamily@iprimus.com.au) if you require a seat (the vehicle will return passengers to Pultney Street immediately after Group 6 has been dismissed at the end of the March). The RSL is providing the vehicle this year and it will form up alongside AEME/RAEME but will drop back to travel in a "Pod" of vehicles behind Group 6 when they step off.** This is to prevent marchers directly behind AEME/RAEME from being forced to breathe exhaust fumes.

All persons who have:

1. Served in the Armed Forces of the Commonwealth of Australia, British

Commonwealth countries or any country which, at the time of such service, was an ally of Australia, or

2. Been allotted for duty in the March, are eligible to march.

Children are not permitted to participate in the March other than those who are Next-of-Kin of a deceased veteran and are 13 years of age or over. Those participating are required to wear the medals of the deceased relative (**over the right breast**) and are required to march with the Next-of-Kin Group 12 (assembly Point in Grenfell Street and on the Western side of Pulteney Street or if a Legacy Ward with Legacy Group 1 (Assembly Point on the southern side of North Terrace 50 metres east of Kintore Avenue).

Whilst policy is that next-of-kin will only march in Group 12, the RSL recognises that certain exceptional circumstances may exist within individual units, which may prompt units to invite selected next-of-kin to join them. Whilst not encouraging or condoning this practice, the RSL recognises the unit's right to decide upon and implement such exceptions if they so desire.

The recognition of these exceptions should not be viewed as any change in the RSL policy that has existed for many years.

Free car parking facilities will be provided upon display of Service Medals or RSL Badge at:

1. Gawler Place Car Park 1.00 pm 24<sup>th</sup> April - 6.00 pm 25 April (no entry/exit possible between 9:00am - 11:00am)
2. Hungry Jack's Car Park 7:00am - 12:00 midnight 25 April (no entry/exit available possible between 9:00am - 11:00am)
3. Harris Scarfe's Car Park 7:30am - 6:pm 25 April

Toilet facilities will be provided as follows:

1. Council toilets in Hindmarsh Square
2. Ground floor level Hungry Jack's Car Park
3. Austin Street corner Pulteney Street (portaloos x 1)
4. North Tce Opp Pulteney St (portaloos x 2)

5. Kintore Avenue opposite State National War Memorial (portaloo x 2)
6. Rear of Adelaide University Oval and the Adelaide Oval
7. Portable toilets in south east corner of Pennington Garden

Approval has been obtained for Association members to meet in the Sergeants' Mess at Keswick Barracks for refreshments and a light luncheon after the March. Please be advised that the Standard of Dress for inside the Mess is neat civilian attire with a collared shirt. Blue denim is acceptable provided there are no holes or patches, but runners are not acceptable footwear. Civilian, ex-serving and retired members of any rank are more than welcome to attend as long as they are properly attired and do not display poor behaviour. However, current serving members who are not eligible for membership of a Sergeants' Mess are not invited to attend and should attend their rank respective Mess. Mess protocol dictates that all personnel attending the Mess should introduce themselves as a member of the AEME/RAEME Association to the President of the Mess or the senior Mess member present.

## **RAEME LUNCHEON**

The next Luncheon get-together for all ex-serving AEME or RAEME personnel will be held on **Tuesday 8<sup>th</sup> September** at the **Cremorne Hotel**, 207 Unley Road, Unley, at 12:00pm. This Luncheon is being organised by Bob Davis.

**If anyone would like to attend, please contact Bob Davis on phone 08 8382 4275 before Friday 4<sup>th</sup> Sep so they can let the Pub know how many to cater for.**  
If you know of others who spent time with AEME or RAEME, please let them know or bring them along.

## OUR OLDEST MEMBER !!!!!!!

Our Secretary recently received a letter from Lionel Penley saying that due to age and ill-health he would be unable to attend any of the Anzac Functions this year.

In his letter he mentioned that he thought that at 92 yrs of age (born in 1916) he was probably the oldest remaining member of the SA Branch of the Association.

He also mentioned that most of the original members and committee came from the 2/4 A.F. Workshops and he attended the second meeting of our association (in 1946). He was also a member of the committee for some period of time.

**Our membership records do not include date of birth so we are asking if you can let us know if you are, or know someone who is, older than Lionel so we can include an article on our oldest member in a future Newsletter.**

He also mentioned that the decision to stop paying subs as at 75 is a forward step in these times and that he enjoyed our newsletter and it has come from strength to strength. He also wished us all success for our ANZAC activities.

### Married Life

**To My Dear Wife,**

You will surely understand that I have certain needs that you, being 54 years old, can no longer satisfy. I am very happy with you and I value you as a good wife. Therefore, after reading this letter, I hope that you will not wrongly interpret the fact that I will be spending the evening with my 18 year-old secretary at the Comfort Inn Hotel. Please don't be upset - I shall be home before midnight

When the man came home late that night, he found the following letter on the dining room table:

**'My Dear Husband,**

I received your letter and thank you for your honesty about my being 54 years old. I would like to take this opportunity to remind you that you are also 54 years old. As you know, I am a maths teacher at our local college. I would like to inform you that while you read this, I will be at the Hotel Fiesta with Michael, one of my students, who is also the assistant tennis coach. He is young, virile, and like your secretary, is 18 years old.

As a successful businessman who has an excellent knowledge of maths, you will understand that we are in the same situation, although with one small difference - 18 goes into 54 a lot more times than 54 goes in to 18.

Therefore, I will not be home until sometime tomorrow.'

## Operation Spanner Pack

The aim of the operation is to provide RAEME soldiers serving overseas with a pack(s) of goodies which make their time overseas a little more comfortable

SGT Troy Oakes, one of our committee and who is currently posted to 16 AD Regt was keen to ensure that the RAEME soldiers from the TST of CSS BTY, 16 AD REGT who are deployed out of role (as infantry) with G Coy, TLBG5 in East Timor did not miss out on their Spanner Packs..

He contacted Ray Norman, Chairman of the Queensland Branch of the RAEME Association (the group currently tasked with the supply of the packs) in early December 2008 and gave him names and contact details for the soldiers.

We have been advised that their packs were posted in time for the soldiers to receive them before Christmas.

Well Done Troy.

## REMEMBERING ????

I was recently diagnosed with AAADD - Age Activated Attention Deficit Disorder

This is how it manifests:

- I decide to water my flower pots in the front garden.
- As I go to turn on the hose I look over at my car and decide it needs washing.
- I go to get the car keys from the porch and then notice the mail on the porch table.
- I decide to go through the mail before I wash the car.
- I put my car keys on the table, sort the bills, put the junk mail in the bin under the table, and notice that the bin is full.
- So, I decide to put the bills back on the table and take out the garbage first.
- But then I think, I can run down to the post-office and pay the bills when I take out the rubbish.
- I take my cheque book off the table and see that there is only one cheque left.
- My other cheque book is in the drawer in the desk, so I go inside the house to my desk where I find a can of Coke I'd been drinking.
- I'm going to look for my other cheque book, but first I need to push the Coke aside so that I don't accidentally knock it over.
- The Coke is getting warm so I decide to put it in the fridge to keep it cold.
- As I head toward the kitchen with the Coke, a vase of flowers on the window ledge catches my eye -they need water.
- I put the Coke on the window ledge and discover my reading glasses that I've been searching for all morning.
- I decide I better put them back on my desk, but first I'm going to water the flowers.
- I put the glasses back down on the window ledge, fill a container with water and suddenly spot the TV remote. I must have left it on the kitchen table.
- I realise that tonight when I go to watch TV, I'll be looking for the remote, but I won't remember that it's on the kitchen table, so I decide to put it back in the living room where it belongs, but first I'll water the flowers.
- I pour some water in the flowers, but some spills on the floor.
- So, I set the remote back on the table, get a towel and wipe up the spill.
- Then I head down the hall trying to remember what I was planning to do.

At the end of the day:

- The flower tubs aren't watered;
- The car isn't washed;
- The bills aren't paid;
- There is a warm can of Coke sitting on the window ledge;
- The flowers in the vase don't have enough water;
- There is still only one cheque in my cheque book;
- I can't find the remote;
- I can't find my glasses;
- I have absolutely NO idea what I did with the car keys.

Then, when I try to work out why nothing got done today, I'm really baffled because I know I was busy all damn day, and I'm really tired.

I realise this is a serious problem and I'll try to get some help for it, but first I'll check my mail.

Do me a favour. send this message to everyone I know, because I don't remember who the hell I've sent it to.

Don't laugh - if this isn't you yet, your day is coming!
