MESSAGE FROM THE PRESIDENT

Well finally the weather is starting to improve and the days are getting longer as we gradually move away from winter and into spring. The last few months have been reasonably quiet in the main with limited activities for most.

The activity of note since our last newsletter was the Officers, Warrant Officers and SNCOs dinner held in the Sergeants Mess at Woodside.

Congratulations to Major Matt Patching, WO1 Nitschke, and WO2 Andrew Boardman for their excellent work in coordinating and conducting the dinner.

We were also fortunate to have our Head of Corps, Brig David Creagh, Deputy Head of Corps LTCOL Todd Ashurst, RSM RAEME WO1 Jason Ballard and Mr Wayne Allan attend the dinner and mix with those in attendance.

LTCOL Ashurst gave a very interesting brief on the activities and current structure of ASEME, particularly on the training of apprentices and trades. Overall the future is very bright for our Corps with numbers and quality of soldiers being trained very good.

The dinner was reasonably well attended and was a very enjoyable night providing a great opportunity to mix with fellow members of RAEME.

The next function on our calendar is the all ranks dinner that is being held on Saturday 23rd October at the Brighton RSL. This is once again a great annual event that lets us get together and share a meal with our partners and friends in a relaxed social environment. By moving the function to the RSL we are able to keep the cost down without losing the quality of the meal and it also provides us to have the function in a location that has obvious military links.

I look forward to seeing a lot of members attend. More information on the function is contained within this newsletter.

You may recall in the March newsletter there was an article on WO2 Doug Pammenter and him being awarded the Federation Star for 40 years of service. Once again we have an Association member who has reached this

milestone and that is our ex President, WO2 Grant Kuchel. An article on this is included in this edition of the newsletter.

As usual the committee has been attending to all matters that ensure we are running smoothly as an association and it is time to consider positions for 2011. A very important function is the financial aspects and we are in need of a member who is willing to take on the role of Treasurer. Currently our Secretary Don Harvy and myself are sharing these duties. While this is working well it really needs to be a task performed by one person. I am very hopeful that we will be able to fill this position for 2011 and ask that members consider volunteering for this job. Another matter that requires assistance from the membership is contributions of items that can be used as raffle prizes. As you know we conduct raffles at most functions and the income from these is very important to us. In the past we have relied on the goodwill of numerous businesses that have been willing to assist. As times move on and we lose our contacts it is becoming more difficult to source donations as raffle prizes. If anyone can assist or is willing to provide prizes for raffles it would be greatly appreciated.

In closing I look forward to seeing a good turn out at the all Ranks Dinner and then at the AGM and BBQ in December.

Arte et Marte
Dick Moyses – President.

RAEME Craftsman of the Year Awards

WHAT A GREAT YEAR FOR SOUTH AUSTRALIA !!!!

In a close and well contested competition **both the ARA and GRES** "Craftsman of the Year" Awards were won by soldiers posted to units in South Australia

The awards were presented at the 2010 RAEME Corps Conference held at Bandiana Victoria on 16-17th Sept.

The ARA award was won by **CFN Sam Wood**. Sam is an Electronics Technician and is posted to the TST 16 AD Regt (Woodside)

CFN Woods receiving his award from HOC

The GRes award was won by **CFN Damian Mitchell**. Damian is a VM from 107 Fd Wksps Coy, 9 CSSB and parades at Warradale.

Both soldiers display excellent trade skills and have demonstrated the ability to identify issues, develop workable solutions and convey their ideas and solutions to technical problems.

Officers, WOs and SNCOs Formal Dinner Woodside

On Saturday 7th August, approximately 40 serving and ex-serving Officers, WOs and SNCOs (including a number of members from our Association) enjoyed a "Formal Dinner" in the Sergeant's Mess at Woodside Barracks.

The evening had a more formal style this year and was enjoyed by all those who attended.

The dinner was organised by Major Matt Patching, WO1 Chris Nitschke, and WO2 Andrew Boardman who are all part of the Workshop at 16th Air Defence Regiment and they all did an excellent job. Particular thanks must go to WO1 Nitschke who was Dining President for the evening.

It was great that our Head of Corps, BRIG David Creagh could attend again this year. Our Deputy Head of Corps (Ground)

LTCOL Todd Ashurst and the Corps RSM WO1 Jason Ballard also joined us for the evening.

LTCOL Ashurst was our guest speaker and briefed everyone on the activities and current structure of ASEME, particularly the new methods being used to train apprentices of all trades..

BRIG David Creagh

As has occurred for the past couple of years, a spanner packs collection was taken and this money, plus surplus monies from the dinner, have been sent to the Queensland Association to help fund future packs.

On behalf of those Association members attending, I wish to sincerely thank the BC and his staff for inviting us to take part in the Dinner. We also thank him for organising the bus transport from Keswick Barracks (editor).

2010 ANNUAL GENERAL MEETING

Well its that time of year again, the 2010 Annual General Meeting will be held on the morning of Sunday 5th December at Warradale Barracks starting at 10:00am sharp! The meeting will finish in time for the Birthday Function BBQ Lunch

Details of the AGM will be confirmed in the Notice of AGM to be posted out shortly.

Attending the AGM does not mean that you will automatically find yourself on the committee. Most of the current committee members have indicated that they are willing to stand again, but new committee members are always welcome

Our President MAJ Richard Moyes has advised that he will be standing for president again this year but he is looking for someone willing to take on the role as Treasurer.

Committee meetings are held bi-monthly at Warradale Barracks, currently on the 3rd Thursday of the month at 7:30pm (the date/time is subject to the agreement of the Committee members who are elected). The meetings are of a relaxed, informal nature and quite enjoyable.

Remember, the committee represents YOU and the AGM is your opportunity to raise anything you would like to see the Association do or stop doing, the committee welcomes new ideas and we are always looking for ways to do things better.

President and Committee

2010 RAEME BIRTHDAY FAMILY FUNCTION

The Function Committee, is organising a mixed all ranks family function to celebrate the RAEME Corps Birthday (we will be 68 years young). It will be held in the Warradale Area Other Ranks' Canteen at Warradale Barracks on the afternoon of Sunday 5th December. Entry to Warradale Barracks is via the Main Gate on Oaklands Road.

The function will commence after the AEME / RAEME Association AGM and a BBQ Lunch will be available from 12:30pm. Cost will be \$7:50 per head for adults (children 12 years and under are FREE). Refreshments will be available from the Bar at mess prices. The 2010 Central Region "RAEME Soldier of the Year" Awards (sponsored by our Association) will be presented at this function. It is intended that the function will conclude at 4:00pm.

This activity is for all serving and ex-serving RAEME members, their family and friends. Please let any non Association RAEME personnel you know it is on and tell them we look forward to seeing them. It is a great opportunity to renew old acquaintances and reminisce over a drink or two.

An Invitation is attached to this Newsletter.
Please return the "tear off" slip to our secretary Don Harvy or ring him before Sunday 28th November so he can advise the Function Committee how many to cater for.

MAN OF THE HOUSE....?

The husband had just finished reading a new book entitled, 'YOU CAN BE THE MAN OF YOUR HOUSE'.

He stormed to his wife in the kitchen and announced, 'From now on, you need to know that I am the man of this house and my word is Law. You will prepare me a gourmet meal tonight, and when I'm finished eating my meal, you will serve me a sumptuous dessert. After dinner, you are going to go upstairs with me and we will have the kind of sex that I want.

'Afterwards, you are going to draw me a bath so I can relax. You will wash my back and towel me dry and bring me my robe...Then, you will massage my feet and hands. Then tomorrow, guess who's going to dress me and do my hair?

Without even looking up from her morning paper the wife replied,

'The funeral director would be my first guess.

WO2 Grant Kuchel is Awarded the Federation Star

The Federation Star forms part of the Long Service Awards and is presented to members of the Defence Force who have provided 40 years of service. I think we can all appreciate that there are not too many people who would become eligible for this recognition and acknowledge that 40 years of service is an outstanding achievement.

Earlier this year WO2 Doug Pammenter was a recipient of this award. Now we have another member, WO2 Grant Kuchel who has also reached this milestone and recently travelled to Canberra to be presented with his Federation Star.

18 Platoon 'C' Company 1 RTB Kapooka May 1969

(Grant is in the centre with the glasses)

It is appropriate that we delve into the past of Grant and see what he has achieved over the past 40 years as a member of the ADF and RAEME.

Grant is a local South Australian being born in Victor Harbor way back in 1952 on the 12th of February. After surviving Yankalilla High School, Grant enlisted into the ARA via the Adult Trade Scheme (thick) on 4th March 1969. He was initially enlisted with the intent to be trained as an Electrical Fitter, however, circumstances changed and as Grant was obviously too intelligent to be in the electrical trades he trained as a Vehicle Mechanic.

Grants first posting was to Puckapunyal Area Workshops where he worked on International Trucks, Ferret Scout Cars and Centurion Tanks. It is interesting to note that all of these types of equipment are now museum articles.

In 1971 Grant married his childhood sweetheart Christine. Their children Amanda, Matthew and Craig arrived in the following years as they moved around.

Grant spent 2 years in Port Moresby PNG as a Corporal before returning to Australia in 1977. His numerous postings include 21 Supply Bn, 131 Supply Coy on promotion to SGT, EIS Melbourne and in 1985 promoted to WO2 at 3 Base Wksp. He then came back to Adelaide into the Trade Repair Officer at Adelaide Wksp Coy at Warradale barracks.

Grant's career now gets confusing, he discharged from the ARA in 1989, enlisted into the Army Reserve in 1990 as the ASM of 8 TPT Sqn TST and then he was then promoted to WO1 and posted as ASM 107 Fd Wksp 9 BASB. In 1996 Grant was awarded an Australia Day Medallion for services to 107 Fd Wksps and formation of the BASB. Grant was then posted to Tech Spt Pl HQ 9 Bde before transferring back to the ARA in 2000.

Back in ARA, Grant was posted to DNSDC/SME and in 2001 participated in Ex Long Look to the UK. Upon return he spent time at 9 CSSB, DLPP and then JLU(S) before discharging from the ARA to the reserves early this year. Grant is now posted to 9 CSSB and works for the 9 Bde Recruiting Cell.

As we all know Grant has been a long term and hard working member of the Association Committee including being our most recent ex President and is a Life Member.

On the 17th of September Grant and Christine were in Canberra and Grant was presented his Federation Star by the Chief of Army, Lieutenant General Gillespie AO, DSC, CSM, and RSM Army, Stephen Ward.

This is very fitting recognition for Grant and also Christine who has been with Grant through his many postings and provided excellent support to him and in recent years our association.

We congratulate Grant on his achievement of 40 plus years service to the Australian Army, 40 years in RAEME and wish him and Christine all the very best.

Compiled by MAJ Richard Moyses with the assistance of our spy in SCMA, Noel Thomas (WO1).

Thanks Noel and keep feeding the information through.

VETERANS WARNED OF POTENTIAL SCAMS

Veterans have been targeted by scam-artists claiming to represent the Australian Government, Secretary of the Department of Veterans' Affairs Mr Ian Campbell said today.

Mr Campbell said the Department of Veterans' Affairs (DVA) had been made aware of several approaches to members of the veteran community asking for personal information in exchange for new government services such as free electricity or pension benefits. In some cases these people posed as officers from DVA.

"These 'offers' are false and my Department is investigating these incidents," he said.

"Veterans in Queensland and Victoria have been most recently targeted however veterans across the country should be aware of the potential scams.

"I urge the veteran community to exercise caution when asked to release personal details.

Be cautious about when and to whom you release your personal information.

If you receive a phone call or letter asking for personal information such as your DVA client number or banking details, do not answer straight away. Contact your nearest DVA office on 133 254 (for metropolitan callers) or 1800 555 254 (for non-

metropolitan callers) to confirm the source is legitimate.

"It is disappointing that our veterans are being targeted by these cowardly scams and I encourage members of the veteran community to contact DVA if they have any concerns," Mr Campbell said.

The Government's Scamwatch website – www.scamwatch.gov.au – contains useful information on how to protect your privacy.

K-9

Boston Police Department, famous for its superior K-9 unit, was somewhat taken back by this recent incident.

Returning home from work, a blonde was shocked to find her house ransacked and burglarised. She telephoned the police at once and reported the crime. The police dispatcher broadcast the call on the channels and a K-9 unit patrolling nearby was the first to respond. As the K-9 officer approached the house with his dog on a leash, the woman ran out on the porch, shuddered at the sight of the cop and his dog, then sat down on the steps put her face in her hands and moaned,

"I come home to find all my possessions stolen. I call the police for help, and what do they do? They send me a BLIND policeman!"

ENGLISH !!!!!!!!!!!

Let's face it - English is a crazy language. There is no egg in eggplant, nor ham in hamburger; neither apple nor pine in pineapple. English muffins weren't invented in England or French fries in France. Sweetmeats are candies while sweetbreads, which aren't sweet, are meat. We take English for granted. But if we explore its paradoxes, we find that quicksand can work slowly, boxing rings are square and a guinea pig is neither from Guinea nor is it a pig.

And why is it that writers write but fingers don't fing, grocers don't groce and hammers don't ham? If the plural of tooth is teeth, why isn't the plural of booth, beeth? One goose, 2 geese. So one moose, 2 meese? One index, 2 indices? Doesn't it seem crazy that you can make amends but not one amend? If you have a bunch of odds and ends and get rid of all but one of them, what do you call it?

If teachers taught, why didn't preachers praught? If a vegetarian eats vegetables, what does a humanitarian eat? Sometimes I think all the English speakers should be committed to an asylum for the verbally insane.. In what language do people recite at a play and play at a recital? Ship by truck and send cargo by ship? Have noses that run and feet that smell

How can a slim chance and a fat chance be the same, while a wise man and a wise guy are opposites? You have to marvel at the unique lunacy of a language in which your house can burn up as it burns down, in which you fill in a form by filling it out and in which, an alarm goes off by going on.

English was invented by people, not computers, and it reflects the creativity of the human race, which, of course, is not a race at all. That is why, when the stars are out, they are visible, but when the lights are out, they are invisible.

RESERVE FORCES DAY **2010**

Reserve Forces Day this year was focused around a regional parade and associated activities at Victor Harbor on Sunday 20th June.

The Parade and March through the streets was well attended and the salute was taken by the Governor of South Australia, Rear Admiral Kevin Scarce AC CSC RANR.

Those "on parade" were well supported by the local council, the RSL and the cadets (43 Cadet Unit who we also sponsor). Many thanks go to them all for making the day such a great success.

The Governor also hosted a Reception at Government House to recognise those reservists who have undertaken overseas posting since the Second World War. The recipients were presented with a commemorative ribbon on the night and have subsequently received a Governor General's Certificate in recognition of their service.

Well done to all the recipients and those who participated in the parade and march.

Well done to all the organisers

We look forward to an even better activity next year.

Progress Report on the “National Association” Proposal

The concept of a National Association has been discussed for a number of years, but no real progress had been made until the recent RAEME Head of Corps Conference where the concept, as produced by Ray Norman (President QLD Assoc), was accepted in principle. The proposal had the general support of all state based associations and is only an in-principle agreement.

The outcomes of the HOC Committee were to :

- **approve** the title “*The RAEME Association*”;
- **provide** further guidance on the way forward;
- **facilitate** further development of The RAEME Association through their respective Colonels’ Commandant, State Associations, Regional Chapters and Sub Branches;
- **approve** the rewrite of Corps Instruction No 12 to incorporate;
 - the proposed framework;
 - proposed Draft Charter;

Title of the Association

“*The RAEME Association*” and not “The National RAEME Association” was the preferred title and this requires little explanation. It is uniquely national and complies with Corps Instruction 12. All other RAEME Associations are identified by their regional location.

Proposed Framework

The Committee of *The RAEME Association* will consist of:

- The President who should be selected on an agreed rotation from one of the Regional Associations, Chapters or Sub Branches. This person would be a standing member of the Corps Committee.
- The Vice President, who is also the Representative Colonel Commandant.
- A Secretary and a Treasurer appointed from one of the Regional Associations, Chapters or Sub Branches.
- Representatives from each Regional State Association, Chapters and Sub Branches as required. (Note: Numbers of Representatives will be governed by the agreed goal and tasks to be performed as agreed and delegated by The RAEME Association President.)
- SO2 Corps heritage from HOC Cell.
- RSM /ASM of the Corps

The RAEME Assoc membership would consist of:

- All members of all Regional Associations, Chapters and Sub Branches by affiliation and association; and
- currently serving members of RAEME (free).

Proposed Charter

A proposed Charter was discussed and it is anticipated that a series of SOPs or Standing Instructions would be drawn up by the Committee to detail areas such as:

- Membership;
- Committee meetings;
- Interaction with Regional Associations, Chapters and Sub Branches;
- Financial management;
- Merchandising;
- Web Site;
- Insurance;
- Calendar of events; and
- Other agreed goals and tasks.

The interaction between *The RAEME Association* and the Regional Associations, Chapters and Sub Branches is still being canvassed, but the following general principle will apply:

- The RAEME Association should not interfere with the conduct of, or dictate terms to, each State Association, Chapter or Sub Branch.
- There will be no membership fees imposed by *The RAEME Association* upon the members. It is primarily a coordination body which will encourage financial membership of current and ex-serving RAEME members into the local Regional Associations, Chapters and Sub Branches.
- The RAEME Association is more focused on being the communication channel between the Regional Associations, Chapters, Sub Branches, the Corps Management and the currently serving Corps body. Importantly, it will provide the mechanism through which currently serving members are introduced to their respective Regional Associations, Chapters or Sub Branches.
- Where commonality exists between the Regional Associations Chapters, Sub Branches and advantages are gained through national agreed level coordination (eg merchandising, recording of history, web page linkages, recruitment,

pension and welfare support etc) then The RAEME Association should be the mechanism for this coordination.

Conclusion

The establishment of a national association, to be known as *The RAEME Association*, while still in its infancy, is supported by the Corps Committee as it will allow a closer relationship with the regional associations. It also provides a unique opportunity to achieve greater unity of purpose and operation across the entire RAEME network of Regional Associations and the Corps generally..

Critically, *The RAEME Association* will provide enhanced membership recruiting opportunities that have not been visible to the Corps or Regional Associations previously. Potentially it will achieve economies of scale in the purchase of Corps memorabilia, long term savings for the Regional Associations and facilitate the coordination of worthwhile activities like Operation Spanner Pack and support to the Corps Museum that have been long overdue.
