THE TRUTH !!!!!

After being married for thirty years, a wife asked her husband to describe her.

He looked at her for a while...then said, "You're A, B, C, D, E, F, G, H, I, J, K."

She asks..... "What does that mean?"

He said, "Adorable, Beautiful, Cute, Delightful, Elegant, Foxy, Gorgeous, Hot."

She smiled happily and said. "Oh, that's so lovely. What about I, J, K?"

He said, "I'm Just Kidding!"

The swelling in his eye is going down and the doctor is fairly optimistic about saving his testicles.

THE BOSS

My boss phoned me today.

He said, "Is everything okay at the office?"

I said, "Yes, it's all under control. It's been a very busy day, I haven't stopped for a minute."

"Can you do me a favour?" he asked.

I said, "Of course, anything, what is it?"

He said, "Hurry up and take your shot, I'm right behind you on the 7th TEE."

The ANZAC Commemorative March

Wednesday 25 April 2012

Commencing at 9:30am.

More details available at www.rslsa.org.au
(Including Next-of-Kin requirements)

As reported briefly in the February/March Newsletter our WW2 veterans remain near the front in Group 5, the Vietnam Workshops veterans are in Group 9(C) and the AEME/RAEME Association members are in Group 12(A).

Assembly Areas

- WW2 Veterans - Northern Side of North Tce
- Vietnam Workshops Veterans - Eastern Side of Pulteney Street adjacent to Grenfell Street
- Association- Northern Side of Grenfell St and west of Pulteney Street.

(See map on page 14).

Any ANZAC Day March queries should be directed to our Unit representatives, Brian Holmes on phone (08) 8362 3216 or Mike Culley on phone (08) 8294 3820.

The route is the same as last year, from the starting point (Kintore Ave), West along North Terrace, North along King William Road and then as directed into the dispersal area in Pennington Gardens.

Salutes (the Association Banner is to be lowered on the "eyes right") are to be paid at the National War Memorial and the South African War Memorial on North Terrace, and the Official Dais on the Eastern side of King William Road near the Parade Ground at Torrens Training Depot.

Vehicles will be available for veterans who can no longer make the distance.

Please let Don Harvy know (08) 7007 4470, mobile (0412 021 411) or email (harvy@adam.com.au) if you require a seat. The vehicle will return passengers to Pulteney Street immediately after the marchers have been dismissed at the end of the March. **The RSL is providing the vehicle(s) and they will form a "Pod" of vehicles behind each group.** This is to prevent marchers directly behind the veterans from being forced to breathe exhaust fumes.

Carers:

One carer or wheelchair pusher is permitted to assist a veteran within unit ranks. Wheelchairs to be in front row.

March Conduct and Paying of Compliments

Unit flags, banners and roundels are to be lowered for all salutes. Yellow unit identification signs are to remain upright and facing the front at the saluting points, except on approaching the Official Dais, where they are turned half-right for the salute on the order EYES-RIGHT and then returned to face the front on the order EYES-FRONT.

Free car parking

U Park will be providing free parking upon display of Service Medals or RSL Badge at:

- Gawler Place Car Park 7.00 am - 8.00 pm
(no entry/exit possible between 8:00am - 11:00am)
- Hungry Jack's Car Park 6:30am - 6.00pm
(no entry/exit possible between 8:00am - 11:00am)

Details on the location of parking **P** and toilet facilities **T** are shown on the map on Page 14.

After the March:

Food, refreshments, Two Up and entertainment will be available at Torrens Parade Ground.

Approval has been obtained for Association members to meet in the Sergeants' Mess at Keswick Barracks for refreshments and a light luncheon after the March. Please be advised that the Standard of Dress for inside the Mess is neat civilian attire with a collared shirt.

Civilian, ex-serving and retired members of any rank are more than welcome to attend as long as they are properly attired and do not display poor behaviour. However, current serving members who are not eligible for membership of a Sergeants' Mess are not invited to attend and should attend their rank respective Mess. **Mess protocol dictates that all personnel attending the Mess should introduce themselves as a member of the AEME/RAEME Association to the PMC or the senior Mess member.**

RAEME LUNCHEON

The next Luncheon get-together for all ex-serving AEME or RAEME personnel will be held on **Tuesday 4th September** at the **Cremorne Hotel**, 207 Unley Road, Unley, at 12:00pm. This Luncheon is being organised by Bob Killoran.

If anyone would like to attend, please contact Bob Killoran on phone 0412 060 315 before Friday 31st Aug so they can let the Pub know how many to cater for.

If you know of others who spent time with AEME or RAEME, please let them know or bring them along.

RAEME

“PICTORIAL MEMOIR BOOK”

NOTE - YOUR INPUT IS REQUIRED

Corps History Project Gets Underway.

As a result of a decision made by the RAEME Corps Committee in October 2011, approval has been given for the RAEME Corps History Project (CHP) to commence development and ultimately production of the book. The intent of this project is to celebrate the achievements of individuals, sub-units and units of the Royal Australian Electrical and Mechanical Engineering (RAEME) Corps during warlike operations and peacetime training activities. The other equally important intent is to capture and record stories that have underpinned and enhanced the reputation of RAEME over the past 70 years and ensure they are recorded in perpetuity.

It is hoped that these stories will inspire all members of the Corps, in particular the newest members, giving them a sense of pride in the Corps’ achievements, its contribution to the nation in general, but specifically, its contribution to the ADF. These stories are also important to the general Australian community, who know little about the “back room boys” of the Army, and their contribution to the Army’s war-fighting ability through the effective management of land equipment in war and peace.

The CHP Team has been established to seek contributions in the form of stories and photographs, from past and current members of the Corps, to be developed and published as a pictorial history, or memoir, for public sale. The book will be published in a “coffee table” style format.

The project’s intent is in line with the Corps Vision statement. In that plan Goal 1, “Promote the Corps’ identity and reputation across Australia”, and Goal 2, “Recognize and celebrate the achievements of the members of the Corps”, epitomize the intent of this project. Under the general direction of the Corps History Project Board, the CHP Team is authorized to request and collect contributions from past and present members of the Corps through all available communication channels and compile and publish the contributions in a book entitled “**In Peace and War – A Pictorial Memoir of the Royal Australian Electrical and Mechanical Engineers**”.

The Corps History will address various facets of the Corps’ support to operations and training over time, by reference to major ADF activities or operations; and by

chronological sequence of events (e.g. RAEME in Timor 1999 to 2011).

Past and present members of the Corps are encouraged to provide photographs of interest, together with short accounts of the events depicted in the photo or photos.

The success of the book is highly dependent on good quality photographs being made available. The photographs in themselves should depict an interesting story, or specific activity, in which members of the Corps participated or led. However the written account, which underpins the photograph, is equally important and should focus on telling a story of the human element depicted of the photographed activity within the context of an historical event.

It is anticipated that a very readable and interesting publication can be produced if all the stories can be brought together coherently. Having said this, it is essential the accounts are accurate, have a historical underpinning and do not depict the narrow view of a single person. For all potential contributors, a good theme to guide your story line will be to apply the ‘**Five Ws**’ to an incident, activity or event, which occurred during your service life and to tell the story in your own words.

Think along the lines of:

- **W**hat is the activity or event I am trying to depict
- **W**ho amongst my unit, mates or colleagues played a part in the event depicted in the 8 story and photographs
- **W**hy were they involved in the activity
- **W**hen did the event occur and what was the broader context; and
- **W**here was the event located

Over the coming months more information will be provided, but as a starting point, look at the advice that will shortly be provided on the RAEME National Association Face Book page and the RAEME National Association website. When your story is ready, please send it to:

raemebookproject@hotmail.com

where it will be checked for suitability and passed to the CHP Editor for further editorial changes to ensure it fits cohesively in the final book. Hard copy can be sent to:
