THE CORPS NEWEST MAJOR GENERAL

Andrew Mathewson was promoted to Major General in September 2015. Andrew joined the Army as an Apprentice Fitter and Turner in 1980. He entered the Royal Military College in 1986, graduating into the Royal Australian Electrical and Mechanical Engineers (RAEME) in mid 1987.

September 2015. Andrew joined the Army as an Apprentice Fitter and Turner in 1980. He entered the Royal Military College in 1986, graduating into the Royal Australian Electrical and Mechanical Engineers (RAEME) in mid 1987.

His early postings were predominantly regimental and technical, but in 1995, Andrew undertook a Master of Science degree at the Royal Military College of Science, Shrivenham in the UK and subsequently worked in project management on land weapons and armoured vehicle projects. Following graduation from Command and Staff College in 1999, Andrew served in Joint Logistics Command. During 2001-02 on exchange to HQ Land Command in Salisbury UK, he deployed to Kosovo with the 7th Armoured Brigade in 2001, then to Bosnia with the Multinational Division Headquarters at Banja Luka in 2002.

He later undertook the role of Acquisition Project Manager, in Project AIR87 procuring the Armed Reconnaissance Helicopter. He also worked in Army Headquarters, and then returned to the UK as a military attaché. In January 2008, he became the Program Director AIR9000, Multi Role Helicopter Program, and subsequently was promoted to Brigadier as Director General Army Aviation Systems.

In November 2012, in a part-time capacity, Andrew was appointed as Head of Corps RAEME, by the Chief of Army. He is also Patron of the Australian Army Apprentices Association. In 2015 he was appointed as a Member of the Order of Australia. He has just relinquished his appointment as Head of Corps RAEME, and is now Head Helicopter Systems Division in the Capability Acquisition and Sustainment Group (CASG) – formerly DMO.

Andrew, and his wife Tina, have two daughters aged 18 and 21. Andrew's leisure interests outside of family life include bushwalking, reading, woodwork and painting.

Congratulations, Andrew, from the members of the SA Association.

WHAT'S GOING ON IN THE CORPS

Plan Centaur. Addressing maintenance constraints within the Armoured Cavalry Regiments (ACR) is the initial focus of Plan Centaur – the most comprehensive and significant improvement program in 30 years to consider the way RAEME may deliver maintenance to Army in the future

With Phase 2 of the program now underway, work has concentrated on gathering data that will inform a clear understanding of all maintenance-related constraints, issues and interdependencies. Work Streams include:

- A detailed workforce and work practices analysis;
- A review of deployed maintenance structures and lines of maintenance support;
- An examination of actual demand and vehicle usage;
- An evaluation of supply chain practices and procedures; and
- An analysis of maintenance outcomes and root causes of identified issues.

Two "quick wins" projects are also included as part of the Phase 2 program of work, including a "lean" process improvement project at 2 Cav Regt Wksp in Townsville.

The data and issues identified during Phase 2 will be presented at a major stakeholder collaboration event in Darwin in April, where potential solutions will be identified and evaluated by the maintenance community prior to the preparation of business cases for approval by the Army Capability Resource Management Committee. Outcomes of Plan Centaur will also be suitable for other elements of the Combat Brigades.

Plan Centaur's Director General, BRIG David McGahey, said that it is vital that the Land Materiel maintenance workforce and the extended maintenance community get involved with the program.

"RAEME Corps in particular has a vested interest in getting this reform right," BRIG McGahey said. "Centaur presents a critical opportunity for the maintenance community to shape its future."

"We need everyone's input to make sure that Centaur delivers the most effective maintenance capability to support the modernised Army," BRIG McGahey said.

Cheers

David Cocker

43 ARMY CADET UNIT (WARRADALE)

Our Association has agreed to continue supporting the Warradale cadet unit again in 2016. The funds are used to help support the cadets in attending field activities and other military activities.

As part of our sponsorship the Association also set up a Perpetual Trophy which is awarded for the "Best Overall Performance" and is presented to the best cadet within the unit.

The winner was Cadet Corporal Holly CASTLE. She is a 15 year old cadet who joined the cadets and 43 ACU when she was 12 years of age. She has been with the unit for three years. When she was awarded the perpetual trophy she was a cadet Corporal but has since been promoted to Cadet Sergeant.

Holly is a year ten student at Mitcham Girls High School. Her future intent is to complete year 12 then take a gap year. She hopes to be accepted into ADFA after completing year 12. She masters in mathematics at school and is one of two students selected from her school to be a participant in the STEM education project. She also does very well in her technology studies.

The winner of the 'AEME/RAEME Association of SA Inc' trophy for "Best Overall Performance" for 2015 was

CDT CPL Holly CASTLE

The STEM project is an acronym for Science, Technology, Engineering and Mathematics and is a Professional Mentoring Programme offered to two students from every high school each year.

She has some family history with the ADF with her grandfather having served in the 2nd AIF during WW2.

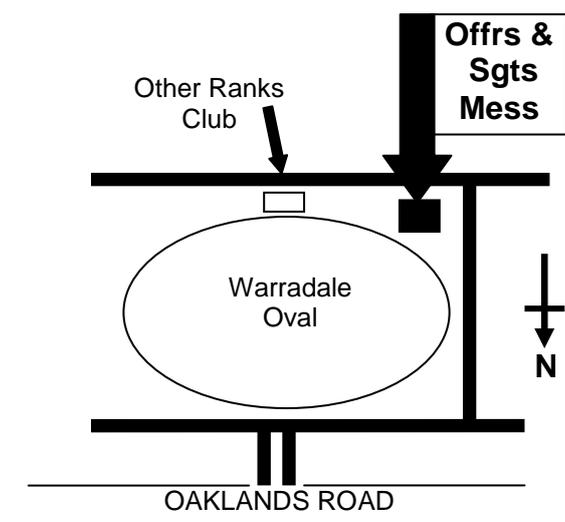

43 Army Cadet Unit is one of many AAC units around Australia which provide young Australians with the opportunity to develop skills in leadership, teamwork, self discipline and provide skills training in military like activities, such as field craft and navigation.

ADF statistics (2009) show that 30% of all ADF members are ex cadets.

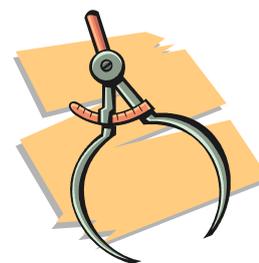

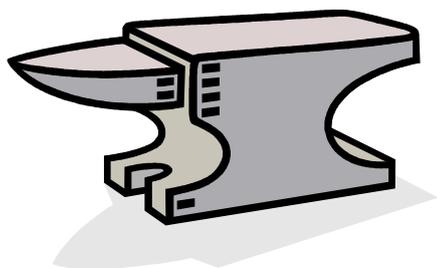

The award being presented to CDT CPL (now SGT) by LTCOL (ACC) Don Harvy who is also the Secretary of our Association and the initiator of the perpetual award

2016 RAEME MIXED ANZAC REUNION

Permission has been given for our Association to conduct the 2016 RAEME Mixed ANZAC Reunion in the combined **Warradale Area Officers and Sergeants Mess** (southern side of the oval) on **Saturday 16th April** commencing at 7:00pm. Format will be similar to last year. A BBQ meal will be available from approximately 7:15pm to 8:15pm. Cost is \$10.00 per head. Refreshments will be available from the Bar at mess prices. A “Remembrance Ceremony” will be held at 9:00pm commencing with “Last Post”. The function is expected to conclude at 11:30pm.

This function is not just for Association members but for all serving and ex-serving RAEME members and their partners and friends. It will be an opportunity to renew old acquaintances, meet soldiers recently posted to Edinburgh and Woodside and reminisce. An invitation with full details is attached to this Newsletter.

Please contact our Secretary Don Harvy on (08) 7007 4470, mobile (0412 021 411) or email (harvy@adam.com.au) before Tuesday 12th April and let him know whether you will be attending and let him know the number and names of all guests who will be attending with you.

Note - : If the Security Level at Warradale Barracks increases, it may be necessary to either supply a list of names of those attending to the Security personnel on the gate, or advise those attending of a change of Venue.

Some assistance will be required with Set Up, cooking the BBQ, collecting money at the door, selling Raffle Tickets, and Clean Up. Please let Don know if you can assist in any way.

RAEME LUNCHEON

We had a good turn-out for the March Luncheon, but we want to see more RAEME and ex-RAEME people at the next one.

The next Luncheon get-together for all ex-serving AEME or RAEME personnel will be held on **Tuesday 6th September** at the **Cremorne Hotel**, 207 Unley Road, Unley, at 12:00pm. This Luncheon is being organised by Bob Killoran.

If anyone would like to attend, please contact Bob Killoran on phone 0412 060 315 before Friday 2nd September so they can let the hotel know how many to cater for.

If you know of others who spent time with AEME or RAEME, please let them know or bring them along.

The ANZAC Commemorative March

Monday 25 April 2015

Commencing at 9:30am.

This year promises to be another great year so we want as many RAEME personnel as possible to join us. Feel free to march with the appropriate RAEME Section by going to the respective Forming Up Point (see Page 12).

Full details available at www.rlsa.org.au
(Including Next-of-Kin requirements)

There has been a major reshuffle of march grouping and we now have 20 groups. Our Vietnam Workshops veterans are now in Group 8. and the AEME/RAEME Association members are now in Group 13.

Assembly Areas

- Vietnam Workshops Veterans - Western Side of Pulteney Street between North Tce and the Mall
- Association- Southern Side of Grenfell St and West of Pulteney Street.

(See map on page 12).

The Association ANZAC Day March co-ordinator will again be John Howard, look out for him and/or the Association Banner

The RAEME Vietnam Veteran's group march under their own banner and the group will be led by ADJ Lee again this year and they are looking for as many RAEME people as possible to march with them.

The route is the same as last year and Salutes (banners to be lowered on the "eyes right") are to be paid at the National War Memorial, the South African War Memorial on North Terrace and the Vice-Regal Saluting point on the Eastern side of King William Road near the Parade Ground at Torrens Training Depot.

Vehicles will be available for veterans who can no longer make the distance. **Please let Don Harvy know (08) 7007 4470, mobile (0412 021 411) or email (harvy@adam.com.au) if you require a seat.**

The vehicles will return passengers to Pulteney Street immediately after the marchers have been dismissed at the end of the March. **The RSL is providing the vehicle(s) and they will form a "Pod" of vehicles within each group.** This is to prevent marchers directly behind the veterans from being forced to breathe exhaust fumes.

Carers:

One carer or wheelchair pusher is permitted to assist a veteran within unit ranks. Wheelchairs to be in front row.

March Conduct and Paying of Compliments

Unit flags, banners and roundels are to be lowered for all salutes. Yellow unit identification signs are to remain upright and facing the front at the saluting points, except on approaching the Vice-Regal, where they are turned half-right for the salute on the order EYES-RIGHT and then returned to face the front on the order EYES-FRONT.

Toilet facilities T are shown on the map on Page 12.

After the March:

Food, refreshments, Two Up and other entertainment will be available at Torrens Parade Ground.

The Army Museum will be open from 7.00am to 3.00pm for visitors. A great way to finish the march and rediscover South Australia's military history.

CANADIANS KNOW HOW TO HANDLE COMPLAINTS.

HERE IS AN EXAMPLE.

A Canadian female liberal wrote a lot of letters to the Canadian government, complaining about the treatment of captive insurgents (terrorists) being held in Afghanistan National Correctional System facilities.

She demanded a response to her letter. She received back the following reply:

Dear Concerned Citizen,

Thank you for your recent letter expressing your profound concern of treatment of the Taliban and Al Qaeda terrorists captured by Canadian Forces, who were subsequently transferred to the Afghanistan Government and are currently being held by Afghan officials in Afghanistan National Correctional System facilities.

Our administration takes these matters seriously and your opinions were heard loud and clear here in Ottawa . You will be pleased to learn, thanks to the concerns of citizens like yourself, we are creating a new department here at the Department of National Defence, to be called 'Liberals Accept Responsibility for Killers' program, or L.A.R.K. for short.

In accordance with the guidelines of this new program, we have decided, on a trial basis, to divert several terrorists and place them in homes of concerned citizens such as yourself, around the country, under those citizens personal care. Your personal detainee has been selected and is scheduled for transportation under heavily armed guard to your residence in Toronto next Monday.

Ali Mohammed Ahmed bin Mahmud is your detainee, and is to be cared for pursuant to the standards you personally demanded in your letter of complaint. You will be pleased to know that we will conduct weekly inspections to ensure that your standards of care for Ahmed are commensurate with your recommendations.

Although Ahmed is a sociopath and extremely violent, we hope that your sensitivity to what you described as his 'attitudinal problem' will help him overcome those character flaws. Perhaps you are correct in describing these problems as mere cultural differences. We understand that you plan to offer counselling and home schooling, however, we strongly recommend that you hire some assistant caretakers.

Please advise any Jewish friends, neighbours or relatives about your house guest, as he might get agitated or even violent, but we are sure you can reason with him. He is also expert at making a wide variety of explosive devices from common household products, so you may wish to keep those items locked up, unless in your opinion, this might offend him. Your adopted terrorist is extremely proficient in hand-to-hand combat and can extinguish human life with such simple items as a pencil or nail clippers. We advise that you do not ask him to demonstrate these skills either in your home or wherever you choose to take him while helping him adjust to life in our country.

Ahmed will not wish to interact with you or your daughters except sexually, since he views females as a form of property, thereby having no rights, including refusal of his sexual demands.. This is a particularly sensitive subject for him.

You also should know that he has shown violent tendencies around women who fail to comply with the dress code that he will recommend as more appropriate attire. I'm sure you will come to enjoy the anonymity offered by the burka over time. Just remember that it is all part of 'respecting his culture and religious beliefs' as described in your letter.

You take good care of Ahmed and remember that we will try to have a counsellor available to help you over any difficulties you encounter while Ahmed is adjusting to Canadian culture.

Thanks again for your concern. We truly appreciate it when folks like you keep us informed of the proper way to do our job and care for our fellow man. Good luck and God bless you.

Cordially,
Minister of National Defence

A DEAD DUCK

A woman brought a very limp duck into a veterinary surgeon. As she laid her pet on the table, the vet pulled out his stethoscope and listened to the bird's chest.

After a moment or two, the vet shook his head and sadly said, "I'm sorry, your duck, Cuddles, has passed away.

The distressed woman wailed, "Are you sure?"

"Yes, I am sure. Your duck is dead," replied the vet.

"How can you be so sure?" she protested. "I mean you haven't done any testing on him or anything. He might just be in a coma or something.

The vet rolled his eyes, turned around and left the room. He returned a few minutes later with a black Labrador Retriever. As the duck's owner looked on in amazement, the dog stood on his hind legs, put his front paws on the examination table and sniffed the duck from top to bottom. He then looked up at the vet with sad eyes and shook his head.

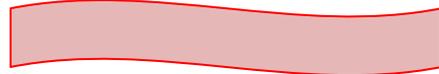

The vet patted the dog on the head and took it out of the room. A few minutes later he returned with a cat. The cat jumped on the table and also delicately sniffed the bird from head to foot. The cat sat back on its haunches, shook its head, meowed softly and strolled out of the room.

The vet looked at the woman and said, "I'm sorry, but as I said, this is most definitely, 100% certifiably, a dead duck.

The vet turned to his computer terminal, hit a few keys and produced a bill, which he handed to the woman..

The duck's owner, still in shock, took the bill. "\$150!" she cried, "\$150 just to tell me my duck is dead!"

The vet shrugged, "I'm sorry. If you had just taken my word for it, the bill would have been \$20, but with the Lab Report and the Cat Scan, it's now \$150."
